

ELECTRICIANS/PLUMBERS/MECHANICAL LICENSED REQUIRED

The City of Granite City has enacted several ordinances pertaining to repairs, new installations and Building. The City has also adopted the latest edition of the National Electric Code, the Illinois Plumbing Code and International Mechanical Code.

ELECTRICAL

The aforementioned Ordinances and Codes require that all electrical work performed on any projects in the City of Granite City for homes, apartments, commercial properties and all rental properties of any sort require licensed certified electricians.

PLUMBING

All plumbing work performed shall require Illinois State Licensed Plumbers.

H V A C

All HVAC work performed shall require City licensed Certified Mechanical Contractors.

EXCEPTIONS

The only time certified contractors are not required is by a home owner, who by state law has lived in the home for more than six months. However, work still requires inspections and must be performed to code specifications.

There are no exceptions to the requirement of the City Ordinance or State Requirements.

Permits are required for all work.
