VILLAGE PRESIDENT

Happy Fall Greenville! What a busy summer it has been. Our Village Staff has been working to complete some significant projects around the community. The work you are seeing just south of the STH 76 & STH 15 intersection is the final work needed for critical sewer lift station renovations. Yes this is the same project that had parts of Municipal Drive blocked off this past spring, but I am happy to say we should see it complete in the next few weeks. The project on Greenwood Road will soon be getting its first layer of asphalt. I'm certain those living next to or near the project will be thankful to have the roadway back and fully open. It should be noted the final layer of asphalt will not be applied until the weather warms next spring. This has been in the plans for the project all along as it allows any settling to occur and be resolved before the final layer of asphalt is applied. Combined these two projects had a budgeted price of nearly \$7M and took over three years to plan and execute. Projects like the lift station renovations and road improvements are not taken lightly by the Village Board or Village Staff. Often we only hear the voice of the cynical critics regarding the decisions made in our community and the work being done, so I thought I would give a little insight into the process for budgeting in our community.

The annual budget process is a year-round activity for the Village with focused efforts through the summer months to review the rolling 5-year Capital Improvement Plan (CIP) moving along to budget workshops in September & October. Then culminating with approval of the following year's budget in November. The CIP is a forward-looking list of potential project and asset spend recommended to the Village Board by Staff. It is important to point out just because a project or asset spend is listed on the CIP it doesn't mean it is approved to happen. This is what the budget workshops help determine. During these workshops the Village Board is challenged to deliver all the desired services, whether statutorily required or discretionary, to the community using a finite dollar amount known as the tax levy. With the final goal of the budget workshops being to produce a balanced budget, meaning revenues equal expenditures, it is very challenging to determine what stays in the budget and what doesn't. In addition, the Village Board needs to analyze what quality level of a particular service we need to provide. The higher level of quality provided for a service the more it costs. For example, I have been hearing more and more about the need for additional law enforcement in Greenville. Added law enforcement comes with added costs. Currently, in addition to the already provided sector officers, Greenville contracts with Outagamie County Sheriff's Department (OCSD) for one full-time officer to be dedicated to the community. The cost for the dedicated officer is approximate \$112,000 to Greenville. Each additional dedicated officer would cost a similar amount. If we as Village Board determine an additional dedicated officer is needed through OCSD, we in turn need to determine what service is going to be downgraded or no longer provided to make up the \$112,000 difference. As you can imagine, agreeing to a balanced budget takes much negotiation and compromise between Village Board Trustees as well as Village Staff. It is not something any of us take lightly as we are all citizens and taxpayers of Greenville just like each of you.

As former Village Trustee Joe Ryan will tell you, being a member of the Village Board isn't easy. No matter what you decide or the direction you take, you always seem to upset one or many people. There is definitely some truth to the old saying, "You can't make everyone happy." I ask you to continue to speak your mind when it comes to issues and concerns of our great community, but to be mindful to do so with emotions in-check. Don't hide behind social media but come and have a conversation with us whether one-on-one or at any of our open meetings where you and your neighbors are always welcome.

I'll end with the words of Theodore Roosevelt, "The Man In The Arena" a speech he delivered in Paris, France April 23, 1910. "It is not the critic who counts, not the one who points out how the strong man stumbled or how the doer of deeds might have done them better. The credit belongs to the man who is actually in the arena, whose face is marred with sweat and dust and blood; who strives valiantly; who errs and comes short again and again; who knows the great enthusiasms, the great devotions, and spends himself in a worthy cause; who, if he wins, knows the triumph of high achievement; and who, if he fails, at least fails while daring greatly, so that his place shall never be with those cold and timid souls who know neither victory nor defeat."

Sincerely,
Jack Anderson

VILLAGE ADMINISTRATOR

Village of Greenville

WHERE DO YOUR TAX DOLLARS GO?

Hortonville Area
School District
\$.048

Fox Valley
Technical
\$.07

Outagamie County \$0.28

With taxes coming due, we thought it would be beneficial to show the breakdown of where your tax dollars are going. Many don't realize that their municipality doesn't keep the total sums of taxes collected each year. As shown using the graph above, Greenville gets less than 20% on every dollar collected to do everything we need to for our residents including streets, plowing, parks, fire, EMS, police, maintenance, elections, water etc. We invite you to join our Village Board meetings coming up in the near future as we navigate through our budgets for 2022.

Below is our 2020 tax rate breakdown by community. This chart is of the Fox Cities, our surrounding comparable and their tax rate, based on a home valued at \$250,000.00. Who pays the least amount of taxes? YOU DO! Based on this, you can see that our Board works hard to provide residents with a balance of services while maintaining the lowest tax rate in the valley.

Community	2020 Tax Rates	Taxes on \$250,000 Home
City of Kaukauna	\$9.87	\$2,467.50
City of Menasha	\$9.76	\$2,440.00
Village of Shiocton	\$8.84	\$2,210.00
City of Appleton	\$8.77	\$2,192.50
Village of Hortonville	\$8.67	\$2,167.50
City of Neenah	\$8.39	\$2,097.50
Village of Little Chute	\$7.80	\$1,950.00
Village of Kimberly	\$7.60	\$1,900.00
Village of Combined Locks	\$5.55	\$1,387.50
Village of Grand Chute	\$5.02	\$1,255.00
Village of Fox Crossing	\$5.01	\$1,252.50
Town of Buchanan	\$3.14	\$785.00
Village of Harrison	\$3.05	\$762.50
Town of Hortonville	\$2.81	\$702.50
Village of Greenville	\$2.40	\$600.00

PUBLIC WORKS

YARD WASTE SITE

A list of acceptable materials as well as the Yard Waste Site Policy can be found on the Village website. **Please note that the extended hours of operation will end on Tuesday, November 30.**

YARD WASTE SITE HOURS

(Excluding holidays)

Monday – Thursday:

7:00 AM – 4:30 PM

Friday: 8:00 AM – 12:00 PM

Summer/Fall Extended Hours:
(April 1 – November 30)

Monday & Wednesday:

6:30 AM – 7:00 PM

Tuesday & Thursday

6:30 AM – 3:30 PM

Friday: 6:30 AM – 12:30 PM

Saturday: 9:00 AM – 3:00 PM

Congratulations on 5 Years—

John Forstling, Public Works Laborer

BRUSH PICK-UP

Brush pickup begins the second Monday of every month and continues throughout the week until complete. Residents looking to be added to the list can sign up using the QR code or by visiting the Public Works Page of our website. *Please remember that the deadline to be added to the brush pickup list is the Friday before at noon and the sign up link will not be available after that deadline.*

Upcoming Collection Dates: 10/11, 11/8, and 12/13

STREET LIGHT OUTAGES

Street light outages should be reported directly to We Energies via their Street Light Outage Map at:

<https://www.we-energies.com/slo>.

Residents can scroll into the pole's location on the map or search using the pole number or address. After locating the pole, click on the point and select "Report a Problem."

Maintenance is typically completed within 5-8 business days but residents can stay update with progress using the same map.

Stay up to date with the latest projects and road closures by visiting the Projects page of our Village website or blog at: <http://www.townofgreenville.com/projects> Or greenvillewi.blogspot.com.

PARKS • RECREATION • FORESTRY

PARK RESTROOMS CLOSING

All park restrooms will be closing for the season on or near October 1. While restrooms will close, parks do still remain open. Be sure to get out and enjoy them through the fall and winter months as there are many activities that can be enjoyed during this period!

MOVIE NIGHT SPONSORS

Thank you sponsors for your generous support of Community Movie Night. Your support is fundamental to the success of our programs and making improvements to the parks.

GREENVILLE FIRE DEPARTMENT

FALL SAFETY TIPS

- Change the batteries in your smoke and carbon monoxide detectors. A good time to do this is when you change your clocks for daylight saving time.
- Have your chimneys inspected and cleaned annually.
- Take advantage of the Village yard waste site or brush pick up program for your fall yard work. If you have to burn the materials, please be a good neighbor and be mindful of where the smoke is going, do not burn on windy days, have a means of extinguishment nearby, never leave the fire unattended, and put it out completely when you are done.

Congratulations on 10 Years of Service!

Chris Thelen Jr.

Tim Immel

The Greenville Fire Department responded to 131 calls for service as of 09/13/2021. Our Greenville First Responders have responded to 294 calls for service in 2021.

COME OUT AND SEE US!

October 9th 10am-2pm Greenville Fire and EMS Open House

See fire apparatus, an ambulance, police cars, live demonstrations, car seat checks, free food, handouts for kids/parents, and more! Overflow parking will be at the Village Municipal Services Center and the Village Hall parking lots.

CIVIC GROUPS AND ORGANIZATIONS

GREENVILLE CIVIC CLUB

What an eventful summer! The Civic Club enjoyed getting back out in the community and planning for the Summer Send Off (SSO) and future community events. From attendance feedback and financial contributions, this year's Summer Send Off was the "BEST YEAR EVER". THANK YOU SPONSORS for supporting this big community event. Below are a few highlights with the Bike Giveaway, Green Bay Packer Raffle, and upcoming events:

- **Packer Raffle Winners:** Joe Fassbender, Michelle Schrab, Dave McDowell, Bob Mack, and Steve Gnacinski (who actually won TWO games).
- **Bike Giveaway** resulted in 193 kids winning either a new bike, scooter and "Play It Again Sports" gift cards. As with the SSO event itself, this bike event is not possible without the HUGE support of community and family sponsors each year. \$150 is the average cost of a bike and that is what we have requested as a starting donation from community businesses. Many have sponsored more than one bike. If interested in sponsoring a bike or two for next year in advance, you can send checks to:

Greenville Civic Club, PO Box 26, Greenville, WI 54942.

What's Next?

- o We will be supporting the Lioness Club with the Fall Festival on October 3rd. Each year the Civic Club takes on the parking and traffic duties for this event which is held at Lions Park.
- o **Fright Night At the Park** is on for this year! This is a family friendly event with something for everyone. Due to Covid-19 safety concerns we will not have "spooks" inside the pavilion but will have guided tours of haunted displays. The "spooks" have relocated to the zoo property and will be ready to scare anyone who dares to take our hayride!
- o This event is organized by the Greenville Civic Club, but local clubs and organizations host their own rooms and share in the proceeds
- o **COST:** Just \$7 from 6-8pm and \$12 from 8pm-close. Includes both the haunted pavilion and hayride
- o **DATES:** October 22, 23, 28, 29, & 30
- o **PLACE:** Greenville Community Park, Hwy 15 & 76

On final note here is centered around one of our Civic Club goals for 2021 and beyond and that is to increase our membership and opportunities for community engagement. We are always looking for civic minded individuals who are searching for ways to get involved in fun and entertaining community events. If this sounds like you, reach out to anyone on our Board at GCCSEC1@gmail.com, our website at www.greenvillecivicclub.com, or follow us on Facebook: [@gccwi – Community](https://www.facebook.com/gccwi-Community) to find our page.

AM VETS POST 30

Thank you for the great turnout for our Gold Star and Veterans Memorial Service. Please visit the Memorial Garden and take note of the Fallen Soldier/Battle cross Memorial which was dedicated to the Palmbach and Deimer Gold Star Families.

AMVETS has set a goal to raise money to help with Phase II of the Veterans Village so that our Senior Veterans have choices closer to home and their families. Please consider purchasing our High Flyer Patriotic Raffle Tickets or send direct donations to AMVETS Post 30, P.O. Box 63, Greenville with "Veterans Village" in the Memo portion of your check. All designated moneys will go to our Veterans Village Account to be donated to Phase II. This will also allow us to have our post name placed on the Village which shows our Greenville support and commitment. We have not done a raffle in a long, long time but this mission calls for it and if successful we will be halfway to our goal. We look for Greenville area business and organizations to help us as well and if you work for a great company that looks for patriotic causes to support well this is one! Want to learn more about the Veterans Village and find out how you can help us help Veterans in need? Come to a meeting the 3rd Wednesday of the month at the Greenville Townhall at 7PM. Our email address is post30amvets@gmail.com.

We want to thank all of those who supported our Cat Fish White Clover Donations, the Mash Blood Drive, and our Summer Sendoff Service events. Thanks to the Wolf Community Credit Union and Greenville Lions Lioness for their donations. We also give great thanks to the Greenville Lions and Civic clubs as well as the Greenville Fire Department for their support of our organization and for all they do in our Greenville Communities.

SUSTAIN GREENVILLE

The Farm Market had another successful year. Our last Farm Market is 10/6/21 from 3-7 pm. We hope you enjoyed the opportunity for fresh produce, baked goods and craft items. All feedback and suggestions can be sent to SustainGreenville.org.

Covid-19 affected the team and Recycle That Stuff had to shut down for two weeks for isolation and sanitization, causing a delay in our recycling event. The Electronic Recycling day will be an annual event at the Farm Market and is scheduled for the first Wednesday of August next year.

We continue to have rain barrels for sale; and let's face it, we've had plenty of rain to collect! Many are undecorated white and a few remain that are painted by Hortonville art class students. Note that you can request a custom-painted rain barrel; just work through our website to leave contact information and details of your design concept.

As fall approaches, we are gearing up for our holiday light collection event. Collection boxes will be located throughout the area, including both Menards east & west. Save your lights, cords and cables and drop them in the collection boxes so we can prevent them from entering the landfill.

If you have suggestions for sustainable activities the committee could investigate, please send a note to our website, SustainGreenville.org. We welcome new members to help us in our efforts to live more sustainably. You can attend one of our meetings, just to observe, before making a decision to join our team. We meet every other month (Feb, Apr, Jun, Aug, Oct, & Dec), the second Thursday of the month, 6:30pm, at the Village Hall. Have a wonderful fall, and keep our future green with your own small steps of sustainability.

So the best can find you"*
~ Billy Cox

Apply for Permits Online

Greenville has invested in developing a new permitting system which has an online application component with the ability to pay online. The system was launched in April 2021 and allows the public to apply for building permits (i.e. new house, fence, deck, patio, additions, remodels, etc.), development requests (i.e. rezoning, site plan, plats, special exceptions etc.) and permit types that require work in the public right-of-way (i.e. culvert, driveway, utility etc.).

Remember, if you are thinking about doing a construction project, please apply online at: <https://greenvillewi.micommunityportal.com/login>. You can also access this from the Village website at: www.townofgreenville.com and click on the icon on the left hand side of the page that says **Apply for a Permit**.

If you have questions about whether a building permit is needed please contact Dale Waala at 920-757-5151 ext. 2200 or dwaala@greenvillewi.gov.

For more information about building permit requirements please visit:
http://www.townofgreenville.com/departments/community_development/building_inspection/index.php.

Questions about whether a planning/zoning permit is needed? Please contact Michael J. D. Brown at 920-757-5151 ext. 2000 or mbrown@greenvillewi.gov.

For more information about planning/zoning permit requirements please visit:
http://www.townofgreenville.com/departments/community_development/planning_and_zoning/index.php.

If you have questions about whether a permit is needed for work in the right-of-way or stormwater/erosion control please contact Jordan Jolma at 920-757-5151 ext. 3400 or jjolma@greenvillewi.gov.

For more information about work in the right-of-way please see our Standard Specifications and Details at:
<http://cms3files.revize.com/greenvillewi/Greenville%20Standard%20Specifications%20and%20Details%202021.pdf>.

Stormwater/erosion control information can be found at:
<http://www.townofgreenville.com/departments/stormwater/index.php>.

We are thankful for you!

STORMWATER

Draining Your Pool?

Taking the time to follow the proper procedures when draining the water from your pool or spa will help keep our local waters a healthy place for fish and other aquatic life to live.

Leave Your Leaves

Properly cleaning up your yard in the fall will help keep our local waters clean too! A great way to do that is to keep them right on your property. Try mulching your leaves in place by making several passes over them with a mulching mower. This will keep leaves on your lawn and provide it with nutrients it needs for healthy grass next spring. You can also collect mulched leaves and spread them in garden beds or under shrubs. Leaves provide valuable protection for plants through the winter and also provide nutrients for spring growth.

WATER/SEWER

I&I - WHAT IS IT? HOW DOES IT AFFECT YOU?

What is I&I? Inflow and infiltration (I&I) is water, that doesn't need to be treated, entering into our sanitary sewer collection system. This is typically through leaking sewer laterals/mains or an illegal connection from stormwater to sanitary sewer.

Why is it bad? For many different reasons, but the most important being the cost. Greater amounts of wastewater sent to the wastewater treatment plant can result in higher rates for all users. Clean water can also overwhelm the bugs and other bacteria that break down the solids at a treatment plant and make them less effective.

- * De-chlorinate the Water: Let the water sit for at least one week to reduce the chlorine or bromine level.
- * Discharge Water to Grass or Landscaping: Discharging the water onto grass or landscaping will allow the water to soak into the earth, where it will be naturally cleansed prior to entering local waterways.
- * Monitor the Discharge: Monitor water as it is discharging to ensure it does not cause erosion or flooding.
- * Protect Local Waterways: If a pool or spa has been acid washed, the water can't be discharged off the owner's property. Water from back flushing pool filters should only be discharged to the sanitary sewer (down a sink or toilet) or on-site septic tank system where it will be treated prior to entering local waters.

WATER AND SEWER RATES

Water Service (WS) -
\$18.08 per month
Water Usage (WU & W1) -
\$1.75 per 1,000 gallons
Sewer Service (SS) -
\$9.54 per month
Sewer Usage (SU) -
\$4.99 per 1,000 gallons

**If just 20% of US households
switched to paperless billing and
payments, we'd save 1.8 million
trees per year!***

CLERK

2022 ELECTION DATES

February 15, 2022 –
Spring Primary (*if needed*)

April 5, 2022 – Spring Election

August 9, 2022 –
Partisan Primary

November 11, 2022 –
General Election

Municipal Races – Spring 2022

Village Board Supervisor (2 seats)

There will be a Primary if there are more than four candidates for Village Board Supervisor. The term for Village Board Supervisors are two years beginning on April 2022.

Interested in serving on the Village Board? Nomination papers are available on the Village website under Your Government/Elections. Additional information may also be found on the Wisconsin Elections Commission website: <http://elections.wi.gov/candidates>. You may begin circulating nomination papers beginning December 1.

If you have any questions, please contact the Clerk's office at: 920-757-5151.

WE COULD USE YOUR HELP!

Are you not interested in running for office, but still interested in elections? We could use your help! The Village is looking for additional Election Inspectors to help run our elections. This is a paid position and some training is required. Please contact Julie at: 920-757-5151 for additional information.

MY VOTE WISCONSIN WEBSITE

Voters are encouraged to visit the My Vote WI Website. This site provides electors the opportunity to:

- Register to vote
- Check registration status (active/inactive)
- Find your polling location
- View voting history
- Request an absentee ballot
- Provide a sample ballot for the upcoming election
