The Town of Greenville is proud to offer you an opportunity to honor those you love. Whether it's those who have served or are currently serving our country or community, yourself, or a loved one you would like to memorialize, we encourage you to purchase a brick and "set it in stone." Bricks can be engraved with up to 3 lines of text and a service insignia. A mini replica brick can be purchased for an additional fee.

Brick placement is available in two locations: The Heritage Fountain brick plaza at Jennerjohn Park and the Memorial Square pathway next to the old Greenville Fire Station. Please note that Memorial Square is only available to Veterans/Fire/EMS.

Please complete the below form and return it, along with payment, to the below address no later than March 31:
