This program provides the opportunity to donate a tree in honor or memory of a loved one. These trees may be placed at any of the parks or along the trail system. Your donation to this program will not only provide a lasting memory but also help to beautify our parks and trails.

The purchase of a memorial tree includes a 3" x 5" stainless steel plaque that will be installed at the base of the tree. The Town will purchase and plant the tree and will maintain the tree for its lifetime. The donor may express a preference to the species and location of the tree however; the species and exact location of the tree will be determined by Town staff depending on needs and availability.

Please complete the below form and return it, along with payment, to the below address. Trees will be planted in spring or fall, depending on the type of tree and best care. Planting status can be tracked using the Memorial Tree and Bench Map located on our website.
