To All Centennial & Sesquicentennial Farm Applicants:

It has come to our attention from the Secretary of State's office that we are unable to sign your Farm Verification forms. We are not members of the Illinois Land Title Association nor are we Recognized Title Searchers and, therefore, are unable to certify the documents.

We know that this recognition as the current owner of a 100 or 150 year old farm is important to you and would not want to hinder the process.

We suggest you contact one of the following local title companies or a recognized title searcher:

| | |
|-------------------------------|--------------|
| Chicago Title & Trust Company | 815-942-3678 |
| First American Title Company | 815-941-0335 |
| Ticor Title Company | 815-941-8001 |

| | |
|----------------------------|--------------|
| C.A. Wilson Title Searcher | 815-584-3992 |
| Ullstrom Land Searching | 815-434-6818 |

If there is anything we may help you with, please contact us.
