

### **Facts & Stats**

Eye doctor visits can be expensive. Davis Vision by MetLife Vision Insurance helps pay for eye exams, eyeglasses, contacts, and so much more.

### Did you know?

Regular visits to your eye care professional may benefit more than your eyesight — they may help contribute to your overall health by potentially catching serious problems.<sup>1</sup>

### Recent studies have shown...

11 million

Americans over the age of 12 need vision correction<sup>2</sup>

You can get Vision Insurance for monthly rates less than the cost of...

A medium cup of coffee<sup>3</sup>

1x per week

# Consider this:

We avoided going to the eye doctor due to the high cost. Thanks to **vision insurance**, we saved on eye exams and new eyewear for the whole family. Our child is doing better in school with glasses, and I love my contact lenses.

### What you need to know about Vision Insurance:

- Save<sup>4</sup> up to \$361 a year on eye exams and eyewear
- See any private licensed eye care professional or professionals at popular retail locations<sup>5</sup>
- Select from fully covered \$0 frames, plus access the Exclusive Collection of frames

Enroll [#/## - #/##] by visiting [add URL].

## See how much you could save in this example:

|   | Average retail cost <sup>6</sup> | Davis Vision member cost |
|---|----------------------------------|--------------------------|
| Yearly exam   | \$103                            | \$10 (copay)             |
| Frame from our<br>Exclusive Collection <sup>7</sup> | \$238                            | \$0                      |
| One-year warranty for damage                        | \$30                             | Covered                  |
| Exam and eyewear <sup>8</sup> total cost            | \$371                            | \$10                     |

This is an illustration only. Your costs and savings could vary depending on your employer's vision plan.

#### **Vision Insurance**

Opportunity to minimize your out-of-pocket costs for vision care and eyewear.

- \* This is a fictional example. Superior Vison and MetLife do not claim that these are typical results that members will generally achieve.
