- II. Executive Director Report

- a. **Financial report**

Sheryl reported we will continue to be “insolvent” until the end of the fiscal year June 2023. Our total revenue as of October 31 is \$16,095 and we’ve already spent \$83,319. The financial report will probably stay unbalanced until May or June of 2023 when we receive some grants and concert sponsorship money. We haven’t spent a lot of money this fiscal year because we’re only four months into it. If anyone has any questions, feel free to contact Sheryl.

Beth asked what revenue comes in between now and June: ZAP, Holladay City, concert sponsorship money, Division or Arts and Museums and any private grants.
