BLUE MOON FESTIVAL - Sheryl

We have 31 vendors to date with 1 spot still available. Still need 3 more food vendors for the event. Sheryl will reach out to SoHo leaders for their suggestions. Selling Luna t-shirts this year was discussed with positive feedback. No date printed to allow sales next year as well. The stickers were well received last year ; Sheryl will see about having them available again. Ilene will meet with Great Harvest to see about Luna cookies to sell. Everyone's participation and hard work last year made this a fabulous event and volunteers were incredible.
