

Random Selection to Assign Districts to At-Large Councilor Positions for March Ballot

A random selection procedure is scheduled for Monday, January 22nd at 9:15am in the Council Chambers at the Hooksett Town Offices, 35 Main Street. Its purpose is to allocate districts for the two At-Large Councilor Positions on the March Election Ballot. This measure is taken due to the unique circumstance of having two At-Large Councilor positions up for election. The splitting of districts is necessary to prevent both winning candidates from residing in the same district, as outlined in the Town Charter. The public is invited to attend.
