Old Business:

Mike and Denise finalized the Annual Report, which will then be submitted via email by Denise to Nicholas Germain, as well as all commission members.

Mike, Denise Cascio Bolduc, and Denise Grafton attended the annual Cemetery Trustee meeting on June 19th in Concord.

New Business:

A bill from CemeteryFind was submitted for the annual subscription. Cost to renew is \$420. Denise made a motion to pay this, and Mike seconded. All in favor.

50 cemetery lot pins (\$253.50) were purchased and received on July 1. The commission okayed payment when the invoice is received.

Denise discussed the 6/30 email response from Nicholas Germain regarding whether to have town email addresses for the commission. It was advised against it. We agree to leave things the way they are with regard to email addresses, etc.

There was a budget discussion. Mike has prepared the enclosed attachment and will submit by July 21.

A question came up during the meeting: How do we submit a warrant article for fence replacement for Head? We will investigate this.

Next meeting(s): August 17 at 6 p.m.

Meeting adjourned at 6:50 p.m.
