

Voting Districts Review and Update Process

The Town Charter reads:

Sec. 1.6 Changes in Districting.

A. No later than two years after the official publication of the decennial United States of America census, the Supervisors of the Checklist (defined in 2.2 hereof) shall establish new district boundaries so as to establish six (6) equal (population-based) districts. The Supervisors of the Checklist may establish their own rules and procedures to conduct redistricting; however, they shall have at least one public hearing on its proposed new district boundaries.

The publication of the 2010 US Census data for the population of Hooksett was released in March 2011, allowing the review and redistricting process to take until March 2013.

Census information on Hooksett's population as at the census block level. The attached spreadsheet and maps are what the Supervisors of the Checklist (SoC) used to plot of Hooksett's population.
