

Business Street Space Survey

The City of Hudson Tourism Board, in conjunction with the Mayor's office, is developing an evolved plan to help businesses extend into the public street space safely while allowing residents and visitors to practice physical distancing during the upcoming 2021 Spring/Summer/Fall season. We would like your feedback on how you would like to use the street space in front of your business.

Please scan the QR code below to fill out the survey:

Or visit <https://www.surveymonkey.com/r/N66BS3K>

Thanks in advance for participating in the survey. Please share it widely - the more responses the better!
