PROJECT TITLE

City of Hudson

SCOPE OF WORK

Thank you so much for reaching out to me to assist on this project with you. I really enjoyed hearing about your goals for the school and look forward to what I can bring to it. Here is the scope of work that I can provide on this project.

1. Organize programming around Indigenous Peoples Day
 - a. Create a public program for Indigenous Peoples Day- research speakers, plan event, etc.
 - b. Will also work with and partner with local non-profits in the programming as well
2. Creation of programming around Native American Heritage Month for the city
 - a. Create public programming that invites those in Hudson and surround areas to learn more about Indigenous peoples and their history to the area
 - b. Will also work with and partner with local non-profits in the programming as well
 - c. This will also include lectures and presentations done by myself as well
3. Work and research on renaming the Waterfront Park and municipal Land Acknowledgement for Hudson
 - a. Gather and collect research into renaming the Henry Hudson Waterfront Park
 - b. Research includes academic and by speaking with members of the community and gathering survey information to present to Common Council and the general public
 - c. Work with the city to create a city wide land acknowledgement and places as to where it should go

FEES

As the work requires time and research, the fees are as follows:

1. Scope of work #1- \$1,000
2. Scope of work #4- \$2,500
3. Scope of work #5- \$3,500

Total: \$7,000

Payments will be made in installments agreed upon by both parties.
