

Date	July 05, 2022
Attention	Didi Barrett (<i>Assembly member</i>), Hudson Mayor, Common Council All members, Zoning & Planning Committee Members
From	Abdus Miah, 2 nd Ward Supervisor , City of Hudson
Subject	Petition of Heavy Haul Truck Traffic

To whom it may concern,

I am Abdus Miah, 2nd Ward Supervisor, the City of Hudson. I am writing regarding the petition of Heavy Haul Truck Traffic going thru the 2nd ward, City of Hudson. People living in 2nd ward are facing many issues because of Heavy Truck Traffic like noise and vibration disturbance in neighborhood residents, Several Health issues and so on. Many children play and senior people walk around this neighborhood streets. Pavement condition is poor on these roads and heavy wheel load causing severe deterioration. Also, there are many sewer pipes under these roads.

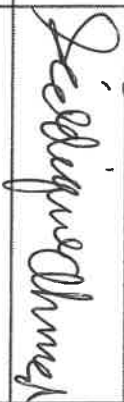

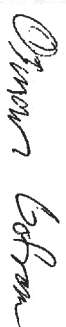

I kindly request you to look into this issue quickly for a prompt and satisfactory solution. Please take a strict step to enforce the Heavy Haul Truck Traffic exclusion on the 2nd ward.

Looking forward to hearing from you and consideration in this matter. You may contact me for any further information.

Thank You
Abdus Miah

Petition Of Heavy Haul Truck Traffic

	This petition is about raising the voice of Hudson residents about displeasure and concern regarding the heavy haul truck traffic going thru the lower part of Columbia St, City of Hudson. It has been proven that the health of these vulnerable populations is at risk via constant truck traffic. One Study by NYU Medical Center says, <i>"Soot particles spewing from the exhaust of diesel trucks constitute a major contributor to the alarmingly high rates of asthma symptoms among school-aged children in the South Bronx, according to the results of a five-year study by researchers at New York University's School of Medicine and Robert F. Wagner Graduate School of Public Service"</i>. According to the New York State Department of Health, Asthma is the number one chronic disease of the lungs and occurs at any age but is more common in children than adults. In New York State (NYS), more than 1.1 million adults have asthma. Nationally, nearly one in 13 school-age children have asthma, and that rate is rising more rapidly in preschool-aged children those living in urban inner cities than in any other group. As you know, the 2nd ward of Hudson has the highest engagement of school-age kids and a large concentration of senior citizens who regularly travel thru the lower part of Columbia St. Heavy haul truck traffic not only poses a danger to the youth at the Hudson neighborhood playground but also increasing risk of lifelong chronic disease of asthma. So, as a resident of the City of Hudson, we are requesting our elected officials to put a halt to all heavy haul truck traffic up the lower half of Columbia St., from Front St. to 3rd St.
Action Petitioned for	We, the undersigned, are concerned City of Hudson resident who urge our leaders to act now to take action stopping all heavy haul truck traffic up the lower half of Columbia St.
