Order of Business: On November 11, 2024, the majority of Planning Board members voted to adopt a “*Hard Stop Policy*”. Under this policy, Planning Board meetings will begin at 6:30 p.m. and conclude by 9:00 p.m. All other business, except for any public hearings scheduled for that evening, will be arranged for a separate meeting within the same month. The date for this additional meeting will be determined and agreed upon just before the current meeting ends.

- **During Public Hearings Only:** The applicant will present, after which Planning Board members will voice their concerns, comments and ask questions. Finally, the public will be called upon to comment, voice their concerns and ask questions pertaining to the present application only. Time limits will be imposed on public comments and all speakers will be asked to state their full name and the street name or number that they currently live on.

- All public comments are required to be made on the agenda items only, and during the time of presentation.

- When recognized by the Chair or other presiding officer, persons addressing the Board will be asked to state their name and street number or where they currently reside. Unless otherwise determined by the Board, the time to be allotted is three (3) minutes for each speaker. Once all persons wishing to speak have spoken once, if time allows, persons wishing to speak a second time may be called upon to speak for a maximum of two (2) minutes. Comments must pertain to the agenda subjects and applications presented in the public hearing.

Decorum:

- No member of the public is permitted to address the Planning Board during meetings or public hearings unless recognized by the Chair other presiding officer.

- All persons speaking will be given respect and courtesy and in return are expected to be respectful and courteous. The use of profane language, slanderous or personal remarks and boisterous conduct, including booing or hand clapping, is not acceptable. Any person speaking to the Board, with the consent of the Chair or other presiding officer, shall address their remarks to the Planning Board, not to other members of the audience, in the form of a debate.

- The public will not be allowed to speak on non-agenda items at any time during Planning Board meetings. Board members are not obligated to respond to public comments or questions. The public is required to make their points brief and focused without engaging in personal attacks, insults or debate.

- Failure to comply with any of the above requirements may subject a violator to be asked to leave the building and be escorted out of the meeting and building.

Escrow:

- The Planning Board will not accept any form of payment at its meetings or in person. All fees and escrow payments are to go to City Treasurer's Office.

- The Planning Board will not discuss applicants' escrow balances with the applicant. All questions and requests regarding escrow balances are to go to the City Treasurer's Office.

- The Planning Board will not discuss or issue vouchers to applicants. All vouchers will be entered on the Planning Board portal, MuniCollab, for the applicant's review. All questions and requests for vouchers are to be referred to the City Clerk's Office.

- Upon completion of your project, applicants may request to have the remaining balance of their escrow account released and sent to them via USPS. All applicants are to send an email to Eugene Shetsky, eugene.shetsky@cityofhudson.org, and Theresa Joyner, tjoyner@cityofhudson.org, with proof of completion of their project requesting that their remaining balance of their escrow account be returned.
