**Subject:** Please vote against HHA

To the members of the Common Council,

I live on the 200 block of Robinson Street, within a block of Bliss Towers and this proposal. I am writing to ask that you vote against the HHA Restore NY project. Again.

I am for affordable housing, and against this proposal.

This is not a contradiction.

We have an opportunity with our Comprehensive Plan planning process to define our own vision for housing.

Ultimately, though, the HHA has not provided nearly enough information, or time, for you to properly represent my interests.

For that reason alone, I believe you should vote against it. Again.

We can do better.

And, we deserve better from the HHA.
