The City's Outreach Social Workers assist persons in need to qualify for a range of housing opportunities. Examples include emergency housing vouchers, rapid rehousing, permanent supportive housing, and family reunification. The successes shown are only representative of the City's Social Workers.

SUCCESS STORIES

Veteran Services

Our Social Workers contacted an Army Veteran who had been homeless for the past 8 years and had never received any assistance. Our Social Work team was able to connect the individual to the Veteran's Resource Center, assist with his documentation and filling out his transitional housing application. Within a week, the individual was placed in transitional housing and is now awaiting permanent housing.

Family Assistance

Single mother of one came in to office hours looking for assistance. Our team assisted the family with filling out a Homeless Intervention Services Application for transitional housing. Given the month and the holidays being around the corner, our team also referred the family to the "Shop with a Cop" event for some holiday cheer.
