The City's Outreach Social Workers assist persons in need to qualify for a range of housing opportunities. Examples include emergency housing vouchers, rapid rehousing, permanent supportive housing, and family reunification. The successes shown are only representative of the City's Social Workers.

SUCCESS STORIES

Veteran Services

An 84-year-old senior veteran residing in San Diego unexpectedly ended up in Huntington Beach, where he faced the misfortune of having his wallet stolen, leaving him stranded without funds to return home. Given that his support system and transitional housing placement through the VA were in San Diego, our team promptly joined forces to facilitate his relocation back to the city where the Veteran was receiving services.

Supportive Services

A client who had never applied to any assistance worked with our Social Worker to receive EBT CalFresh benefits. The Social Worker assisted in taking the client to the social services office and walked the client through how to use the card at the grocery store.
