SUCCESS STORIES

Family Assistance

A family of five, including three young children, found themselves on the streets when they were reached out to by the Be Well Team and our Social Workers. Through partnership with our local faith-based organization, our team provided support to the family, ensuring they had a safe haven for a few days while working together to establish a long-term plan.

Assistance with Relocation

A couple from North Dakota relocated to California to reside with family, but circumstances changed, and their support system dissolved, leaving them without assistance. Our team collaborated with the couple to facilitate their relocation and reunion with their support network back home, offering practical aid in the form of gas and food gift cards along the way.
