The City's Outreach Social Workers assist persons in need to qualify for a range of housing opportunities. Examples include emergency housing vouchers, rapid rehousing, permanent supportive housing, and family reunification. The successes shown are only representative of the City's Social Workers.

SUCCESS STORIES

Senior Assistance

A 68-year-old female was evicted from her apartment in Huntington Beach and for the first time she found herself living out of her car. The senior came in to office hours and our Social Workers were able to make a referral to the Navigation Center. The senior is now receiving services which will help her build a long-term housing plan.

Road to Recovery

A male individual who had recently participated in Sobering Services at the Be Well Campus, reached out to our Social Workers for assistance with Navigation Center placement. Our Social Workers confirmed his ties to the City and were able to make a referral to the Navigation Center where the individual will continue to receive supportive services and continue to maintain sobriety.
