The City's Outreach Social Workers assist persons in need to qualify for a range of housing opportunities. Examples include emergency housing vouchers, rapid rehousing, permanent supportive housing, and family reunification. The successes shown are only representative of the City's Social Workers.

### SUCCESS STORIES

#### Licensed Marriage & Family Therapist

Our Licensed Marriage & Family Therapist (LMFT) met five unhoused individuals in the month of March. The LMFT was able to complete assessments and Disabling Condition Forms for each of the individuals, which will assist them all in having their documents ready and will allow them to be one step closer to being matched to the appropriate housing opportunity.

#### Transitional Aged Youth

A Transitional Aged Youth came in to office hours looking for housing support. The young adult has a job, however, it is not enough to sustain housing. Our Social Workers connected the young adult to Homeless Intervention Services of OC to receive shelter and other assistance.
