CERS Business Portal User Agreement

Please review the following conditions of use for the California Environmental Reporting System (CERS) and indicate your agreement using the checkbox below:

- I agree I will not allow others to use my CERS Account and understand my Account could be suspended if I allow others to use it. I will protect my password and never share it with others, and if my account is compromised, I will contact [CERS Technical Support](#) immediately.
- I will only upload documents as required by CERS or my local regulator(s). Any document I upload will be as compact as possible, will not exceed 25MB in size, will be free from viruses or other malicious elements, and meet other requirements specified in the [CERS Document Upload Policy](#).
- I understand I should NOT use my web browser's "Back" button while using CERS--doing so may result in duplicate records or other problems.
- I understand that CERS is designed for standard-sized screens using relatively current web browsing software: Internet Explorer 8+ (without [Compatibility Mode](#)), Firefox 3.6+, current versions of Google Chrome or Safari 5+). I understand my browser must have [Javascript enabled](#), and that some CERS features may not work on older browsers, and CERS is not designed to be effectively used on smaller display devices (e.g., mobile phones, etc.).
- I understand viewing and printing some CERS reports requires relatively current PDF viewing software (Adobe Reader 8+).
- I understand CERS is generally available during days or evenings except as described [here](#).
