WHEREAS, except as otherwise expressly provided herein, all terms and conditions of this Agreement shall apply to all employees represented by the Association, and

WHEREAS, the representatives of the City and Association desire to reduce their agreements to writing,

NOW THEREFORE, this Memorandum of Understanding (MOU) is made to become effective January 1, 2022 and it is agreed as follows:

ARTICLE I – TERM OF MOU

This Agreement shall be in effect for a period of three (3) years commencing January 1, 2022, the effective date, and ending midnight December 31, 2024.

The parties agree to commence negotiations on a successor MOU by not later than September 1, 2024.

ARTICLE II – REPRESENTATIONAL UNIT/CLASSIFICATIONS

It is recognized that the Association is the employee association which has the right to meet and confer in good faith with the City on the behalf of employees whose classifications are listed in Exhibit A, attached hereto and incorporated by reference herein.
ARTICLE III – MANAGEMENT’S RIGHTS

The parties agree the City has the right to make unilateral management decisions that are outside the scope of bargaining, as defined by state and federal law and Public Employment Relations Board (PERB) decisions. Except as expressly abridged or modified herein, the City retains all rights, powers and authority with respect to the management and direction of the performance of City services and the work forces performing such services, provided that nothing herein shall change the City’s obligation to meet and confer as to the effects of any such management decision upon wages, hours and terms and conditions of employment or be construed as granting the City the right to make unilateral changes in wages, hours, and terms and conditions of employment. Such rights include, but are not limited to, consideration of the merits, necessity, level or organization of City services, including establishing of work stations, nature of work to be performed, contracting for any work or operation, reasonable employee performance standards, including reasonable work and safety rules and regulations in order to maintain the efficiency and economy desirable for the performance of City services.

Except as otherwise expressly provided herein, the adoption of this Memorandum of Understanding shall not change existing benefits and terms and conditions of employment which have been established in prior Memoranda of Understanding, and/or provided for in the Personnel and Departmental Rules of the City of Huntington Beach.

ARTICLE V – SEVERABILITY

If any section, subsection, sentence, clause, phrase, or portion of this MOU or any additions or amendments thereof, or the application thereof to any person, is for any reason held to be invalid or unconstitutional by the decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this resolution or its application to other persons. The City Council hereby declares that it would have adopted this MOU and each section, subsection, sentence, clause, phrase, or portion, and any additions or amendments thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses, phrases, or portions, or the application thereof to any person, be declared invalid or unconstitutional.

ARTICLE VI – SALARY SCHEDULE

A. Salary Schedule

Employees shall be compensated at rates by classification title and salary range during the term of this Agreement as set out in Exhibit A attached hereto and incorporated herein unless expressly provided for in other Articles of this MOU. All employees are required to utilize direct deposit of payroll checks. The City shall issue each employee direct deposit advice (payroll receipt) each pay period that details all income, withholdings, and deductions.
Effective at the beginning of the pay period including January 1, 2022, the parties agree that the salary schedule in Exhibit A reflects the following modifications from the salary schedule in the 2019-2020 MOU:

1. The salary schedule will include seven (7) steps from A-G;

2. The steps will be five percent (5%) steps;

3. The salary ranges will be one percent (1%) apart;

   a. Locating the range on the new salary schedule with a Step F that is nearest to the position’s current top step (Step E) without being less; and then,
   b. Moving two ranges higher, thereby providing a wage increase of not less than two percent (2%) for all employees in the Association.

5. Each employee will be placed on the step (A-F) of their classification’s assigned salary range that is nearest to their base salary step (A-E of the 2019-2020 salary schedule) without being less.

Once placed on the new, seven-step salary schedule, employees will be eligible to move to the next step on their anniversary date (i.e., the date they are due for their next evaluation) upon receipt of a satisfactory evaluation.

B. Performance Bonus

Effective at the beginning of the pay period including January 1, 2022, employees in the unit who are at Step G on the salary schedule are eligible for an annual performance bonus of up to three percent (3%) of their base pay at the time of their evaluation.

The annual performance bonus amount will be determined based upon the evaluation of the employee’s performance. A completed performance evaluation with specific recognition of outstanding performance must be attached to the Personnel Action Form and sent to the Human Resources Division. The evaluation will also identify performance goals and objectives.

Employees who disagree with the performance bonus award granted by their supervisor / manager may appeal the decision directly to their Department Head for additional consideration. After review, the Department Head’s final decision regarding the performance bonus award amount shall be final and binding, and shall not be subject to grievance.

Medical Opt-Out: $582.00 per month ($268.62 bi-weekly)

Employee and City contributions subject to change as a result of contract negotiations
C. Life and Accidental Death & Dismemberment

Each employee is provided with $50,000 (fifty thousand) life insurance and $50,000 (fifty thousand) accidental death & dismemberment insurance paid for by the City. Each employee shall have the option, at his or her own expense, to purchase additional amounts of life insurance and accidental death & dismemberment insurance to the extent provided by the City’s current providers. Evidence of insurability is contingent upon total participation in additional amounts.

D. Long Term Disability Insurance

This program provides, for each incident of illness or injury, a waiting period of thirty (30) calendar days, during which the employee may use accumulated sick leave, general leave pay, or the employee may elect to be in an unpaid status. Subsequent to the thirty (30) day waiting period, the employee will be covered by an insurance plan paid for by the City, providing 66 2/3 (sixty six and two-third) percent of the first $12,500 (twelve thousand five hundred) of the employee’s basic monthly earnings.

The maximum benefit period for disability due to accident or sickness shall be to age sixty five (65).

Days and months refer to calendar days and months. Benefits under the plan are integrated with sick leave, Worker’s Compensation, Social Security and other non-private program benefits to which the employee may be entitled. Disability is defined as: “The inability to perform all of the duties of regular occupation during two years, and thereafter the inability to engage in any employment or occupation for which the employee is fitted by reason of education, training or experience.” Rehabilitation benefits are provided in the event the individual, due to disability, must engage in another occupation. Survivor’s benefits continue plan payment for three (3) months beyond death. A copy of the plan is on file in the Human Resources Division.

The intent of long term disability is to assist employees who are off work for an extended period of time. While long term disability benefits can be coordinated with accrued leave benefits to achieve one hundred percent (100%) of regular salary, no employee may receive more than their regular salary while receiving disability benefits and paid leave.

E. Miscellaneous

1. City-Paid Premiums While on Medical Disability

When an employee is off work without pay for reason of medical disability, the City shall maintain the City-paid employee’s insurance premiums during the period the employee is in an unpaid status for the length of said leave, not to exceed twenty-four (24) months.
2. Insurance and Benefits Advisory Committee

The City and the Association participate in a City-wide joint labor and management insurance and benefits advisory committee to discuss and study issues relating to insurance and benefits available for employees.

F. Retiree Medical Coverage for Retirees Not Eligible for the City Medical Retiree Subsidy Plan

Employees who retire from the City after January 1, 2004 and are granted a retirement allowance by the California Public Employees’ Retirement System and are not eligible for the City’s Retiree Subsidy Medical Plan may choose to participate in City-sponsored medical insurance plans until the first of the month in which they turn age sixty-five (65).

The retiree shall pay the full premium for City-sponsored medical insurance for them self and/or qualified dependents without any City subsidy.

Employees who retire from the City and receive a retirement allowance from the California Public Employees’ Retirement System and are not eligible for the City’s Retiree Subsidy Medical Plan and choose not to participate in City-sponsored medical insurance upon retirement, permanently lose eligibility for this insurance.

However, if a retiree who is not eligible for the City’s Retiree Subsidy Medical Plan chooses not to participate in City-sponsored medical insurance plans because the retiree has access to other group medical insurance and subsequently loses eligibility for that group medical insurance, the retiree and qualified dependents will have access to City-sponsored medical insurance plans reinstated.

Eligibility for Retiree Medical Coverage terminates the first of the month in which the retiree or qualified dependent turns age sixty-five (65).

G. Post-65 Supplemental Medicare Coverage

Retirees who are participating in the Retiree Subsidy Medical Plan as of January 1, 2004 and all future retirees who meet the criteria to participate in City-sponsored medical insurance, with or without the Retiree Medical Subsidy Plan, may participate in City-sponsored medical insurance plans that are supplemental to Medicare.

A retiree or qualified dependent must choose to participate in City-sponsored medical insurance plans that are supplemental to Medicare beginning the first of the month in which the retiree or qualified dependent turns age sixty-five (65).

The retiree shall pay the full premium to participate in City-sponsored medical insurance plans that are supplemental to Medicare for them self or qualified dependents without any City subsidy.
Retirees or qualified dependents, upon turning age sixty five (65), who choose not to participate in City-sponsored medical insurance plans that are supplemental to Medicare permanently lose their eligibility for this insurance.

H. Annual Maximum Benefit for Dental PPO Plan

The Dental PPO plan maximum annual benefit is $2,000.

This payment shall be made only to the member, shall be payable by the City during the life of the member, and upon that member’s death, the City’s obligation shall cease. The method of funding this benefit shall be at the sole discretion of the City. This benefit is vested for employees covered by this Agreement.

the normal cost as established by CalPERS each year in its annual valuation for the City, as required by California Government Code Section 7522.30(c).

d. New Member Miscellaneous CalPERS Cost Sharing:
Upon the effective date, new members shall cost share 1.00% pensionable compensation in accordance with Government Code section 20516(f). This will ensure that these members will pay 7.25% of pensionable compensation when combined with the 6.25% pensionable compensation that these employees are required to pay as determined by CalPERS’s annual evaluation.

If in future fiscal years the member contribution rate for new members shall become greater or less than 6.25% of pensionable compensation, as determined by CalPERS’s annual valuation, employees shall continue to pay one percent (1%) above as cost sharing per Government Code section 20516(f).

2. The parties agree that the City shall issue an official City holiday calendar in January of each year that will determine the dates that holidays are observed, following the guidelines below:
   a. City paid holidays which fall on Saturday shall be observed the preceding Friday, and those falling on Sunday shall be observed the following Monday.
   b. In the event that two consecutive City paid holidays fall on a Friday and Saturday, the two holidays shall be observed on the preceding Thursday and Friday.
   c. In the event that two consecutive City paid holidays fall on a Sunday and Monday, the two holidays shall be observed on Monday and the following Tuesday.

2. Credit – Employees shall carry forward their sick leave balance and shall no longer accrue sick leave credit.
3. **Usage** – Employees may use accrued sick leave for the same purposes for which it was used prior to December 25, 1999.

4. **Pay Off At Separation**

   a. Employees on the payroll on November 20, 1978, are entitled to the following sick leave payoff plan:

      At involuntary separation by reason of disability, or retirement, employees (or in the case of death, their beneficiary) shall be compensated at their then current rate of pay for seventy-five percent (75%) of all unused sick leave accumulated as of July 1, 1972, plus fifty percent (50%) of unused sick leave accumulated subsequent to July 1, 1972, up to a maximum of seven hundred twenty (720) hours of unused, accumulated sick leave, except as provided in paragraph 4 below.

      Upon separation for any other reason, employees shall be compensated at their then current rate of pay for fifty percent (50%) of all unused, accumulated sick leave, up to a maximum of seven hundred twenty (720) hours of such accumulated sick leave.

   b. Employees hired after November 20, 1978, shall be entitled to the following sick leave payoff plan:

      Upon separation, all employees shall be paid, at their then current salary rate, for twenty-five percent (25%) of unused, earned sick leave to four hundred eighty (480) hours accrued, and for thirty-five percent (35%) of all unused, earned sick leave in excess of four hundred eighty (480) hours, but not to exceed seven hundred twenty (720) hours, except as provided in paragraph 4 below.

   c. Except as provided in paragraph 4d. below, no employee shall be paid at separation for more than seven hundred twenty (720) hours of unused, accumulated sick leave.    d. Employees who had unused, accumulated sick leave in excess of seven hundred twenty (720) hours as of July 5, 1980, shall be compensated for such excess sick leave remaining on separation under the formulas described in paragraphs 1 and 2 above. In no event shall any employee be compensated upon separation for any accumulated sick leave in excess of the “cap” established by this paragraph (i.e., seven hundred twenty (720) hours plus the amount over seven hundred twenty (720) hours existing on July 5, 1980). Employees may continue to utilize sick leave accrued after that date in excess of such “cap” on a “last in, first out” basis.

   e. To the extent that any “capped” amount of excess sick leave over seven hundred twenty (720) hours is utilized, the maximum compensable amount shall be correspondingly reduced. (Example: Employee had 1,000 hours accumulated. Six months after July 5, 1980, employee has accumulated another 48 hours. Employee is then sick for 120 hours. Employee’s maximum sick leave “cap” for compensation at separation is now reduced by seventy two (72) hours to nine hundred twenty eight (928) hours).
f. Employees electing to participate in the City’s group health insurance program after retirement can request the premiums to be paid by the City out of any available funds due and owing them under the terms of this agreement for unused sick leave benefits upon retirement.

D. Voluntary Catastrophic Leave Donation Program

Under certain conditions, an employee may donate leave time to another employee in need. The program is outlined in Exhibit F.

Immediate family is defined as a parent, sibling, spouse, registered domestic partner, child, grandparent, grandchild, or wards of which the employee is the legal guardian, recognizing all birth, marital, and other legal ties (i.e., step relatives, in-laws, etc.).

F. Release Time

Notwithstanding any other provisions of this Agreement, the Association and the City agree to continue discussion during the term of the MOU on Release Time for negotiation, including City’s consideration of the number of hours, based on the establishment of a mutually agreed upon written provision for the use of such leave by Association representatives and its members. Such leave shall be limited to use for the purpose of Association business not covered within the scope of legal requirements. It remains the City’s intent to enforce reasonable standards for the administration and control of current Release Time use.

ARTICLE XIII – CITY RULES

A. Personnel Rules

All MOU provisions that supersede the City’s Personnel Rules shall automatically update the City’s Personnel Rules and be incorporated into such rules.

B. Employer-Employee Relations Resolution

During the term of the agreement, the City and the Association agree to update the Employee-Employer Relations Resolution to reflect current State law.
1. Modification of Section 7 – Decertification and Modification

a. The City and the Association desire to maintain labor stability within the representational unit to the greatest extent possible, consistent with the employee’s right to select the representative of his or her own choosing. For these purposes, the parties agree that this Agreement shall act as a bar to appropriateness of this unit and the selection of the representative of this unit, except during the month of August prior to the expiration of this Agreement. Changes in bargaining unit shall not be effective until expiration of the MOU except as may be determined by the Personnel Commission pursuant to the procedures outlined below. This provision shall modify and supersede the time limits, where inconsistent, contained in Section 7 of the current Employer-Employee Relations Resolution of the City of Huntington Beach.

b. The City and the Association have agreed to a procedure whereby the City, by and through the Administrative Services Director, would be entitled to propose a Unit Modification. The Association and the City agree to jointly recommend a modification of the City of Huntington Beach Employer-Employee Relations Resolution (Resolution Number 3335) upon the City having completed its obligation to meet and confer on this issue with all other bargaining units.

The proposed change to the Employer-Employee Relations Resolution is as follows:

7.3 Administrative Services Director Motion of Unit Modification - The Director of Human Resources may propose, during the same period for filing a petition for decertification, that an established unit be modified in accordance with the following procedure:

i. The Administrative Services Director shall give written notice of the proposed modification(s); to any affected employee organization and any affected employees.

ii. The Personnel Commission shall hold a meeting concerning the proposed modification(s) at which time all affected employee organizations and employees shall be heard.

iii. Thereafter, the Personnel Commission shall determine the composition of the appropriate unit or units and shall give written notice of such determination to the affected employee organizations and any affected employees.

The City Manager, employee organization or employee aggrieved by an appropriate unit determination of the Personnel Commission may, within ten (10) days of notice thereof, request a review of such determination by the City Council. Within thirty (30) days of receipt of a request to review a unit determination of the Personnel Commission the City Council shall review the matter. The City Council’s decision shall be final.

iv. Except as provided otherwise in this MOU, the salary, benefit, and working conditions specified by this MOU shall be provided to employees in classifications
listed in Exhibit A and have completed or are in the process of completing a probationary period in a permanent position in the competitive service in which the employee regularly works twenty (20) hours or more per week.

C. Rules Governing Layoff, Reduction in Lieu of Layoff and Re-Employment

1. Part 1 – Layoff Procedure

a. General Provisions

1) Whenever it is necessary, because of lack of work or funds to reduce the staff of a City department, employees may be laid off pursuant to these rules.

2) Whenever an employee is to be separated from the competitive service because the tasks assigned are to be eliminated or substantially changed due to management-initiated changes, including but not limited to automation or other technological changes, it is the policy of the City that steps be taken by the Human Resources Division on an interdepartmental basis to assist such employee in locating, preparing to qualify for, and being placed in other positions in the competitive service. This shall not be construed as a restriction on the City government in effecting economies or in making organizational or other changes to increase efficiency.

3) A department shall reduce staff by identifying which positions within the department are to be eliminated.

4) The employee who has the least City-wide service credit in the class within the department shall have City-wide transfer rights in the class pursuant to Part 1, Section 3, Transfer or Reduction to Vacancies in Lieu of Layoffs, or within the occupational series pursuant to Part 2, Bumping Rights.

5) If a deadline within this procedure falls on a day that City Hall is closed, the deadline shall be the next day City Hall is open.

b. Service Credit

1) Service credit means total time of full-time continuous service within the City at the time the layoff is initiated, including probation, paid leave, or military leave. Permanent part-time employees earn service credit on a prorated basis.

2) Except as required by law, leaves of absence without pay shall not earn service credit.

3) As between two or more employees who have the same amount of service credit, the employee who has the least amount of service in class shall be deemed to be the least senior employee.
c. Transfer or Reduction to Vacancies in Lieu of Layoff

1) In lieu of layoff, a transfer within class shall be offered to an employee(s) with the least amount of service credit in the class designated for staff reduction within a department subject to the following:

   a) The employee has the necessary qualifications to perform the duties of the position.

   b) The employee shall be given the opportunity, in order of service credit, to accept a transfer to a vacant position in the same class within the City, provided the employee has the necessary qualifications to perform the duties of the position.

   c) If no position in the same class is vacant, the employee shall be given the opportunity, in order of service credit, to transfer to the position in the same class that is held by an incumbent in another department with the least amount of service credit whose position the employee has the necessary qualifications to perform.

2) If an employee(s) is not eligible for transfer within the employee's class, the employee shall be offered, in order of service credit, a reduction to a vacant position in the next lower class within the City in the occupational series in lieu of layoff provided the employee has the necessary qualifications to perform the duties of the position.

3) If the employee refuses to accept a transfer or reduction pursuant to a. or b., above, the employee shall be laid off.

   a) If the employee(s) in the class with the least amount of service credit is in the position(s) to be eliminated or displaced by transfer, the employee shall be offered bumping rights, pursuant to Part 2, Bumping Rights.

   b) Any employee who takes a reduction to a position in a. lower class within the occupational series in lieu of layoff shall be placed on the reinstatement/reemployment list(s) pursuant to Part 3. Re-employment.

2. Order of Layoff

   a. Prior to implementing a layoff, vacant positions that are authorized to be filled shall be identified by City-wide occupational series. If the employee refuses to accept a position pursuant to Section 3. above, the employee shall be laid off.

   b. No promotional probationary employee or permanent employee within a class in the department shall be laid off until all temporary, nonpermanent part-time and non-promotional probationary employees in the class are laid off. Permanent employees
whose positions have been eliminated may exercise citywide bumping rights to a lower class in the occupational series pursuant to Part 2.

c. When a position in a class and/or occupational series is eliminated, any employee in the class who is on authorized leave of absence or is holding a temporary acting position in another class shall be included for determining order of service credit and be subject to these layoff procedures as if the employee was in his or her permanent position.

3. Notification of Employees

a. The Human Resources Division shall give written notice of layoff to the employee by personal service or by sending it by certified mail to the last known mailing address at least thirty (30) calendar days prior to the effective date of the layoff. Normally notices will be served on employees personally at work.

b. Layoff notices may be initially issued to all employees who may be subject to layoff as a result of employees exercising voluntary reduction/bumping rights.

c. The notice of layoff shall include the reason for the layoff, the effective date of the layoff, the employee's hire date, and the employee's service credit ranking. The notice shall also include the employee's right to bump the person in a lower class with the least service credit within the occupational series provided the employee possesses the necessary qualifications to successfully perform the duties in the lower class and the employee has more service credit than the incumbent in the lower class.

d. The written layoff notice given to an employee shall include notice that he or she has seven (7) calendar days from the date of personal service, or date of delivery of mail if certified, to notify the Administrative Services Director in writing if the employee intends to exercise the employee's bumping rights, if any, pursuant to Part 2, Bumping Rights.

e. Whenever practicable, any employee with the least amount of service credit in a lower class within an occupational series which is identified for work force reduction shall also be given written notice that such employee may be bumped pursuant to Part 2. This notice shall include the items referred to in C., above.

f. If an employee disagrees with the City's computation of service credit or listed date of hire, the employee shall notify the Administrative Services Director as soon as possible, but in no case later than five (5) calendar days after the personal service or certified mail delivery. Disputes regarding date of hire or service credit shall be jointly reviewed by the Administrative Services Director and the employee and/or the employee's representative as soon as possible, but in no case later than five (5) calendar days from the date the employee notifies the Administrative Services Director of the dispute. Within five (5) calendar days after the dispute is reviewed, the employee shall be notified in writing of the decision.
4. Part 2 – Bumping Rights

a. Voluntary Reduction or Bumping in Lieu of Layoff

1) A promotional probationary employee or permanent employee who receives a layoff notice may request a reduction to a position in a lower class within the occupational series provided the employee possesses the necessary qualifications to perform the duties of the position.

2) Employees electing reduction under “a” above, shall be reduced to a position authorized to be filled in a lower class within the employee's occupational series. The employee may reduce to a lower class in their occupational series by: 1) filling a vacancy in that class, or 2) if no vacancy exists, displacing the employee in the class with the least service credit whose position the employee has the necessary qualifications to perform. A displaced employee shall have bumping rights.

3) An employee who receives a layoff notice must exercise bumping rights within seven (7) calendar days of receipt of the notice as specified in Part 1 - Layoff Procedure. Failure to respond within the time limit shall result in a reputable presumption that the employee does not intend to exercise any right of reduction or bumping to a lower class. The employee must carry the burden of proof to show that the employee's failure to respond within the time limits was reasonable. If the employee establishes that failure to respond within the time limit was reasonable, to the Administrative Services Director satisfaction, the employee shall be permitted to exercise bumping rights, but shall not be reinstated to a paid position until the employee to be bumped has vacated the position. If the employee disagrees with the Administrative Services Director decision, the employee may appeal pursuant to the provisions of Sections 3 and 4 below.

b. Reinstatement/Re-Employment Lists

Any employee who takes a reduction to a position in a lower class within the occupational series in lieu of layoff shall be placed on the reinstatement/re-employment list pursuant to Part 3, Re-Employment.

c. Qualifications Appeal

Any employee who is denied a reduction to a position in a lower class within the occupational series on the basis that the employee does not possess the necessary qualifications to successfully perform the duties of the lower position may appeal the decision. The appeal shall be filed with the Administrative Services Director within five (5) calendar days of the employee's receipt of written notice of the decision and reason(s) for denial. The employee's appeal shall be in writing and shall include supporting facts or documents supporting the appeal.
d. Qualifications Appeal Hearing

1) Upon receipt of an appeal, the Administrative Services Director shall contact a mediator from the California State Mediation and Conciliation Service to schedule a hearing within two (2) weeks after receipt of the appeal. If the California State Mediation and Conciliation Service is not available within that time frame, the parties shall mutually select a person who is available within the time frame. If the California State Mediation and Conciliation Service and the person mutually selected are not available within the time frame, the parties shall select the earliest date either is available to conduct the hearing. The parties shall split the cost, if any, of the hearing officer. In addition, the parties shall meet within three (3) workdays to attempt to resolve the dispute. If the dispute remains unresolved, the parties shall endeavor in good faith to submit to the hearing officer a statement of all agreed upon facts relevant to the hearing.

2) Appeal hearings shall be limited to two (2) hours, except as otherwise agreed by the parties or directed by the hearing officer.

3) The hearing officer shall attempt to resolve the dispute by mutual agreement if possible. If no agreement is reached, the hearing officer shall render a decision at the conclusion of the hearing, which shall be final and binding.

5. Part 3 – Re-Employment

a. Re-Employment

1) Employees who are laid off or reduced in class to avoid layoff shall have their names placed upon a re-employment list, for each class in the occupational series, in seniority order at or below the level of the class from which laid off or reduced.

2) Names of persons placed on the re-employment lists shall remain on the list for two (2) years from the date of layoff or reduction.

3) Vacancies shall be filled from the re-employment list for a class, starting at the top of the list, providing that the person meets the necessary qualifications for the position.

4) Names of persons are to be removed from the reemployment list for a class if on two (2) occasions they decline an offer of employment or on two (2) occasions fail to respond to offers of employment in a particular class within five (5) calendar days of receipt of written notice of an offer. Any employee who is dismissed from the City service for cause shall have his or her name removed from all re-employment lists.

5) Re-employment lists shall be available to MEO and affected employees upon reasonable request,
6) Qualification appeals involving re-employment rights shall be resolved in the same manner as that identified in Part 2. Section 4.

b. Status on Re-Employment

1) Persons re-employed from layoff within a two (2) year period from the date of layoff shall receive the following considerations and benefits:

a) Service credit held upon layoff shall be restored, but no credit shall be added for the period of layoff.

b) Prior service credit shall be counted toward General Leave accruals.

c) Employees may cash in sick leave upon layoff or at any time after layoff in the manner and amount set forth in existing Memoranda of Understanding for that employee’s unit. General Leave shall be paid to an employee when the re-employment list(s) expire(s), if not previously paid.

d) Upon reinstatement the employee may have his or her General Leave re-credited by repayment to the City the cashed amount.

e) The employee shall be returned to the salary step of the classification held at the time of the layoff and credited with the time previously served at that step prior to being laid off.

f) The probationary status of the employee shall resume if incomplete.

2) Employees who have been reduced in class to avoid layoff and are returned within two (2) years to their former class shall be placed at the salary step of the class they held at the time of reduction and have their merit increase eligibility date recalculated.

D. Collection of Payroll Overpayments

In the event that a payroll overpayment is discovered and verified, and considering all reasonable factors including the length of time that the overpayment was made and if and when the employee could have reasonably known about such overpayment, the City shall take action to collect from the employee the amount of overpayment(s).
