ARTICLE III – SEVERABILITY

If any section, subsection, sentence, clause, phrase or portion of this MOU or any additions or amendments thereof, or the application thereof to any person, is for any reason held to be invalid or unconstitutional by the decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this resolution or its application to other persons. The City Council hereby declares that it would have adopted this MOU and each section, subsection, sentence, clause, phrase or portion, and any additions or amendments thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses, phrases or portions, or the application thereof to any person, be declared invalid or unconstitutional.

ARTICLE IV – MANAGEMENT RIGHTS

The City and the Fire Chief retain all rights, powers and authority to manage and direct the performance of fire services and the workforce, except as modified by the Memorandum of Understanding.

The parties agree that the City has the right to unilaterally make decisions on all matters that are outside the scope of bargaining. Such matters include, but are not limited to, consideration of the merits, necessity, level or organization of fire services, staffing requirements, extra duty assignments, number and location of work stations, nature of work to be performed, contracting for any work or operation, reasonable employee performance standards, reasonable work and safety rules and regulations.

ARTICLE V – SALARY SCHEDULES AND RETIREMENT

1. Effective January 6, 2024, employees shall receive a six percent (6%) increase to their base salary rate.
2. Effective the pay period including January 1, 2025, employees shall receive a four percent (4%) increase to their base salary rate.
3. Effective the pay period including January 1, 2026, employees shall receive a four percent (4%) increase to their base salary rate.

B. California Public Employees' Retirement System (CalPERS) Pick-up

1. The City shall provide all safety employees described as "classic members by the Public Employees' Pension Reform Act of 2013 – "PEPRA" with that certain retirement program commonly known and described as the "3%" at age 50 plan" which is based on the retirement formula as set forth in the California Public Employees' Retirement System (PERS), Section 21362.2 of the California Government Code, including the one-half continuance option (Government Code Sections 21624 and 21626) for safety employees and the Fourth Level of the 1959 survivor option for all employees as established by the California Public Employees' Retirement System, Section 21571 of the California Government Code.
2. All "classic members" shall pay to PERS as part of the required member retirement contribution nine percent (9%) of pensionable income.
 - a. Effective the beginning of the pay period that includes July 1, 2021, all "classic members" shall pay four percent (4%) additional compensation earnable as employer cost sharing, in accordance with Government Code Section 20516(f), for a total employee pension contribution of thirteen percent (13%). The parties agree that this cost sharing agreement shall continue after the expiration of this MOU unless/until otherwise negotiated to either an agreement (in a successor MOU) or the expiration of the impasse process by the parties.
3. The City has contracted with PERS to have retirement benefits calculated based upon the employee's highest one year's compensation, pursuant to the provisions of Section 20042 (highest single year).
4. The obligations of the City and the retirement rights of employees as provided in this Article shall survive the term of this MOU.
5. The City provides the Pre-Retirement Optional Settlement 2W Death Benefit as set forth in California Government Code Section 21548 for all safety employees represented by the Association.
6. For "New Members" within the meaning of the California Public Employees' Pension Reform Act of 2013 (PEPRA).

 - c. "New members" as defined by PEPR shall contribute one half of the normal cost rate, as established by CalPERS.
 - i. Effective the beginning of the pay period that includes July 1, 2021, all new members shall pay at least thirteen percent (13%) of pensionable compensation as their retirement contribution. If the required contribution per PEPR (half the normal cost) is less than thirteen percent (13%), employees shall pay the difference between the required PEPR contribution and thirteen percent (13%) as cost sharing per Government Code Section 20516(f). If the required PEPR contribution is at least thirteen percent (13%) or more, new members will pay the required PEPR contribution. The parties agree that this cost sharing agreement shall continue after the expiration of this MOU unless/until otherwise negotiated to either an agreement (in a successor MOU) or the expiration of the impasse process by the parties.

The City has adopted the CalPERS Resolution in accordance with IRS Code section 414(h)(2) to ensure that both the employee contribution and the City pickup of the required member contribution are made on a pre-tax basis. However, ultimately, the tax status of any benefit is determined by the law.

C. Self-Funded Supplemental Retirement Benefit

Employees hired prior to August 17, 1998, are eligible for the Self-Funded Supplemental Retirement Benefit, which provides that:

This payment shall be made only to the employee, shall be payable by the City during the life of the employee, and upon that employee's death, the City obligation shall cease. The method of funding this benefit shall be at the sole discretion of the City. This benefit is vested for employees covered by this agreement.

D. Medical Insurance Upon Retirement

As required by the Government Code, while the City is contracted with CalPERS to participate in the Public Employees' Medical and Hospital Care Act (PEMHCA) program, retired employees (annuitants) shall have available the ability to participate in the PEMHCA program. CalPERS shall be the sole determiner of eligibility for retiree (annuitant) to participate in the PEMHCA program.

The City's requirement to provide retirees (annuitants) medical coverage is solely governed by the Government Code requirement that PEMHCA agencies extend this benefit to retirees (annuitants). If by agreement between the Association and the City or if the City elects to impose termination of its participation in the PEMHCA program, retirees (annuitants) shall no longer be eligible for City provided medical insurance.

In the event that the City terminates its participation in the PEMHCA program, the retiree medical subsidy program in place in Resolution No. 2002-120 Exhibit B to the Memorandum of Understanding shall be reinstated. ARTICLE VIII – WORK SCHEDULE/COMPENSATORY PAY/TIME OFF

A. Work Schedule

1. All twenty-four (24) hour shift employees shall work an average of fifty-six (56) hours per week pursuant to the current schedule of two (2) twenty-four (24) hour shifts in a two (2) day period with four (4) consecutive days off. Total hours worked in a calendar year will equal two thousand nine hundred and twelve (2912) hours.

Effective July 1, 2021, the work period is a twenty-four (24) day work period consistent with Section 207(k) of the Fair Labor Standards Act (FLSA).

B. Overtime

Effective July 1, 2021, 24-hour shift employees shall earn 5.85 hours of half-time overtime per pay period. This equates to an additional 2.925 hours of additional base pay per pay period. Since the City considers these

employees to be overtime exempt under the FLSA, this additional pay is paid per the MOU. This additional pay is intended to compensate the employees for the hours they are regularly scheduled to work in each 24-day FLSA work period, which qualify as overtime according to Section 207(k).

C. Compensatory Pay/Overtime

1. Pay Rate

In addition to the overtime pay as provided in paragraph B above, all employees shall receive pay at the overtime rate (1 ½ times their regular rate) for hours worked in excess of regularly scheduled hours, unless the employee has "lost time" (defined as time when the employee does not work when regularly scheduled to do so and does not receive leave of absence with pay) in a regularly scheduled shift. If there is "lost time" in any regularly scheduled shift, the employee shall receive overtime pay for only those overtime hours worked in excess of the number of "lost time" hours in the bi-weekly pay period.

2. Prior approval to accrue compensatory time/overtime

All employees must gain approval from the Fire Chief in advance of accruing compensatory time or receiving overtime pay for hours worked in excess of regularly scheduled hours. 1. Effective Date of Coverage

An employee and eligible dependent(s) shall become eligible to participate in the City's health insurance plans described herein. Effective the first of the month following the employee's date of hire, any required employee payroll deduction shall begin with the first full pay period following the effective date of coverage and shall continue through the end of the month in which the employee separates from employment. All employee contributions shall be deducted on a pre-tax basis.

2. California Public Employees' Retirement System (CalPERS) Public Employees' Medical and Hospital Care Act (PEMHCA)

The City presently contracts with CalPERS to provide medical coverage. The City is required under CalPERS PEMHCA to make a contribution to retiree medical premiums. A retiree's right to receive a City contribution, and the City's obligation to make payment on behalf of retirees, shall only exist as long as the City contracts with CalPERS for medical insurance, except as provided in Article VIII(4)(b). In addition, while the City is in CalPERS, its obligations to make payments on behalf of retirees shall be limited to the minimum payment required by law.

a. PEMHCA Employer Contributions

The City shall contribute on behalf of each employee the mandated minimum sum per month toward the payment of premiums for medical insurance under the PEMHCA program. As the mandated minimum is increased, the City shall make the appropriate adjustments by decreasing its flex benefits contribution accordingly as defined in the following sub-section.

b. Maximum Employer Contributions

For the term of this agreement, the City's maximum monthly employer contribution for each employee's health and other insurance premiums are set forth as follows:

- i. The maximum City contribution shall be based on the employee's enrollment in each plan. The parties agree that the mandated minimum PEMHCA contribution referenced above in paragraph 2a is included in the sums stated above in this sub-section. If the employee enrolls in a plan wherein the costs exceed the City contribution, the employee is responsible for all additional premiums through pre-tax payroll deductions.
- ii. Effective January 6, 2024, the City's maximum monthly contribution shall be:
 - Single - \$859.00
 - Two Party - \$1,728.00
 - Family - \$2,201.00
- iii. Effective the first pay period in January 2025, the City's maximum monthly contribution shall be:
 - Single - \$892.00
 - Two Party - \$1,794
 - Family - \$2,285
- iv. Any increase in premiums above the City's 2025 contribution cap will be the responsibility of the employee.

3. Dental Insurance

The annual maximum benefit for the Delta Dental PPO plan is \$2000.

- a. Effective January 1, 2022, the maximum City contribution shall be equivalent to the premium for the Delta Dental PPO plan based on the employee's enrollment of employee only ("EE"), employee plus one dependent ("EE+1"), or employee plus two or more dependents ("EE+2").

FIRE MANAGEMENT ASSOCIATION

- b. Effective January 1, 2023, the City contribution shall not increase. Any increase in premiums above the City's current contribution cap will be the responsibility of the employee.

The City's maximum monthly employer contributions for health and other insurance premiums are summarized in the tables below. The amounts are inclusive of the CalPERS statutory minimum amount.

Table 1. FMA Health Contributions Effective January 6, 2024

	Maximum City Contributions

Family	\$2,201.00	142.90	69.01	23.87
Opt-out	745.83	-	-	-

Table 2. FMA Health Contributions Effective January 1, 2023-5

Two-Party	1,794.00	108.40	45.12	23.87
Family	2,285.00	142.90	69.01	23.87
Opt-out	769.16	-	-	-

4. Retiree (Annuitant) Coverage

As required by the Government Code retired employees (annuitants) shall have available the ability to participate in the PEMHCA program. The City's requirement to provide retirees and/or annuitants medical coverage is solely governed by the Government Code requirement to extend this benefit to retirees (annuitants). While the City is contracted with CalPERS to participate in the PEMHCA program, CalPERS shall be the

sole determiner of eligibility for retiree and/or annuitant to participate in the PEMHCA program.

a. City Contribution (Unequal Contribution Method) for Retirees

As allowed by the Government Code and the CalPERS Board, and requested by the Association, the City shall use the Unequal Contribution Method to make the mandated minimum allowable City contribution on behalf of each retiree or annuitant.

b. Termination of Participation in the CalPERS PEMHCA program – Impact to Retirees

The City's requirement to provide retirees (annuitants) medical coverage is solely governed by the Government Code requirement that PEMHCA agencies extend this benefit to retirees (annuitants). If by agreement between the Association and the City or if the City elects to impose termination of its participation in the PEMHCA program, retirees (annuitants) shall no longer be eligible for City provided medical insurance.

In the event that the City terminates its participation in the PEMHCA program, the retiree medical subsidy program in place per Resolution No. 2002-120, Exhibit B, to the Memorandum of Understanding shall be reinstated. The City shall make any necessary modifications to conform to the new City sponsored medical insurance plan.

5. Additional Costs for Participation in the PEMHCA Program

a. Retiree and/or Annuitant Coverage

The Association shall pay to the City an amount equal to \$1.00 per month for each additional retiree and/or annuitant in the bargaining unit who elects to participate in the PEMHCA plan but is not participating in the City sponsored retiree medical program as of the beginning of a pay period after the PEMHCA program is in place.

Each January 1st the amount per month paid to the City for each retiree and/or annuitant described above shall increase by the

amount PEMHCA requires the City to pay on behalf of each retiree (annuitant). Article VIII (A) (4) (a) above provides an example of expected payments per retiree or annuitant per month.

In the event of passage of state legislation, judicial rulings, or CalPERS board actions that increases the mandatory minimum monthly contribution for retirees (annuitants), the Association shall pay an equal amount to the City.

Payments shall be made the first of the month (following implementation). If the Association fails to make timely payments for two consecutive months, the City shall implement a decrease in the supplemental benefit contribution to health insurance for each unit employee by an amount equal to the total increased cost paid by the City. (For example, if the increased cost for retirees equals \$6,000 per year, the monthly supplemental benefit for each employee will be decreased as follows: \$6,000 divided by twelve (months) = \$500, which is then divided by the number of employees receiving supplemental benefits).

b. Termination Clause

The City and Association may each request termination of the City's contract with CalPERS after the announcement of state legislation, judicial rulings, or a CalPERS board action that changes the employer's contribution, insurance premiums or program changes to the CalPERS medical plan.

The City and Association may elect to terminate its participation in the CalPERS PEMHCA program by mutual agreement through the meet and confer process between the Association and the City.

6. Medical Opt-Out

If an employee is covered by a group health insurance outside of a City-provided program (evidence of which must be supplied to the Human Resources Division, as described below), the employee may elect to discontinue City health insurance coverage and receive as taxable compensation, the cash equivalent of the single-party maximum City contribution, paid bi-weekly.

This amount may be deposited into the employee's deferred compensation account or any other pre-tax program offered by the City. In order to be eligible for the opt-out payment the employee must be able to demonstrate to the City's satisfaction that they have minimum essential coverage as defined by the Affordable Care Act, (through another source other than coverage in the individual market, whether or not obtained through Covered California) and will not incur penalties under the ACA.

B. Section 125 Employee Plan

The City shall provide an Internal Revenue Code Section 125 employee plan that allows employees to use pre-tax salary to pay for regular childcare, adult dependent care and/or medical expenses as determined by the Internal Revenue Code.

C. Life and Accidental Death and Dismemberment

Each employee shall be provided with \$50,000 (fifty thousand) life insurance and \$50,000 (fifty thousand) accidental death and dismemberment insurance paid for by the City. Each employee shall have the option, at their own expense, to purchase additional amounts of life insurance and accidental death and dismemberment insurance to the extent provided by the City's current providers. Evidence of insurability is contingent upon total participation in additional amounts.

D. Long Term Disability Insurance

This program provides, for each incident of illness or injury, a waiting period of thirty (30) calendar days, during which the employee may use accumulated sick leave, general leave, or the employee may elect to be in a non-pay status. Subsequent to the thirty (30) day waiting period, the employee will be covered by an insurance plan paid for by the City, providing 66 2/3% (sixty six and two-third percent) of the first \$12,500 (twelve thousand five hundred) of the employee's basic monthly earnings.

The maximum benefit period for disability due to accident or sickness shall be to age 65 (sixty-five).

Days and months refer to calendar days and months. Benefits under the plan are integrated with sick leave, Worker's Compensation, Social Security and

other non-private program benefits to which the employee may be entitled. Disability is defined as: "The inability to perform all of the duties of regular occupation during two years, and thereafter the inability to engage in any employment or occupation, for which he is fitted by reason of education, training or experience." Rehabilitation benefits are provided in the event the individual, due to disability, must engage in another occupation. Survivor's benefit continues plan payment for three (3) months beyond death. A copy of the plan is on file in the Human Resources Division.

E. Retiree Medical Trust (RMT)

The City authorizes the FMA to participate in a retiree medical plan administered by the PORAC Retiree Medical Trust ("Retiree Medical Trust" or "RMT"), with the following conditions:

1. The City and FMA agree that the City shall not provide any contribution to the program.
2. Effective 10/01/2020, City shall withhold \$100.00 per month for each represented employee. Thereafter, said withholding shall be in an amount as designated in writing by FMA. Deductions shall be made on the first two pay periods of each month.
3. The City shall withhold \$100.00 per month on a pre-tax basis for each represented employee to participate in the program. The withholding amount could change and if it does, it shall be in an amount as designated in writing by the FMA and shall be applicable to each employee. Deductions shall be taken on the first two checks of each month.
4. Participation and contributions are required for every member of the bargaining unit represented by the Association. However, this requirement will not apply to an employee who is entitled to receive full retiree medical coverage due to their service in the United States military (Military Exception).
5. FMA shall pay all associated expenses incurred to participate in this program.
6. Upon request, the FMA shall provide documentation to the City as follows:

- a. A copy of the in-force employee medical welfare benefit trust fund program;
 - b. A statement certifying that funds collected are for employee welfare medical benefits for FMA represented employees only;
 - c. A copy of the current program document as well as any changes, amendments or written confirmation that there have been no changes to the employee medical welfare benefit trust fund program provider;
 - d. Verification of the funds submitted to the PORAC Retiree Medical Trust; and
 - e. A statement certifying that the submitted funds are only being utilized to provide employee welfare medical benefit trust funds for participating members including members of the FMA.
7. City shall pay the withheld funds to the PORAC Retiree Medical Trust biweekly.
8. All Federal and State laws regarding employee medical welfare benefit trust funds coverage shall be followed.
9. FMA agrees that it will indemnify and hold harmless the City as well as all direct or indirect successors, officers, directors, heirs, predecessors, assigns, agents, insurers, employees, attorneys, representatives, and each of them, past and present, from and against any claims, lawsuits, penalties, interest, taxes, or liability of any kind whatsoever, which may result from the qualified employee welfare benefit trust fund program.
10. The City hereby acknowledges receipt of the Trust Agreement governing the Trust and will comply with rules set by the Trust Office in regard to reporting and depositing the required contributions set forth above. The City will cooperate with the Trust in allowing a payroll audit for the purpose of ascertaining if the proper amount of contributions have been made.

F. Miscellaneous

1. City Paid Premiums While on Medical Disability

When an employee is off work without pay for reason of medical disability, the City shall maintain the City paid employee's insurance premiums during the period the employee is in a non-pay status for the length of said leave, not to exceed twenty-four (24) months.

2. Insurance and Benefits Advisory Committee

The City and the Association participate in a City-wide joint labor and management insurance and benefits advisory committee to discuss and study issues relating to insurance benefits available for employees.

3. Health Plan Over-Payments

Unit employees shall be responsible for accurately reporting the removal of ineligible dependents from health plan coverage. The City shall have the right to recover any premium paid by the City, on behalf of ineligible dependents. Recovery of such over-payments shall be made as follows:

a. Reduction of Employee's Bi-Weekly Salary Warrant

The employee's bi-weekly salary warrant shall be reduced by one half (1/2) of the amount of the bi-weekly over-payment. Such reduction shall continue until the entire amount of the overpayment is recovered.

b. Notice of Ineligible Dependents

The City shall use its best efforts to advise all unit employees of their obligation to report changes in the status of dependents, which affect their eligibility.

c. Twelve Month Recovery Period

The City shall be entitled to recover a maximum of twelve (12) months of premium over-payments. Neither the employee nor the dependent shall be liable to the City other than as provided herein.

ARTICLE X - LEAVE BENEFITS**A. General Leave****1. Accrual**

Employees accrue General Leave at the accrual rates outlined below. General Leave may be used for any purpose, including vacation, sick leave and personal leave. Employees shall accrue General Leave at their appropriate assigned work schedule rate, either forty (40) hour or fifty six (56) hour workweek. In the event of a change in work schedules, which must be at the beginning of a pay period, payroll shall change the accrued General Leave balance and accrual rate based on the new schedule using the conversion factor of .7143. Personnel who change from a fifty-six (56) hour schedule to a forty (40) hour schedule shall multiply the existing General Leave by .7143. Personnel who change from a forty (40) hour schedule to a fifty-six (56) hour schedule shall divide their existing General Leave by .7143.

Years of Service	General Leave Accrual 40-Hour Rate	General Leave Accrual 56-Hour Rate
First through Fourth Year	176 Hours	246.4 Hours
Fifth through Ninth Year	200 Hours	280.0 Hours
Tenth through Fourteenth Year	224 Hours	313.6 Hours
Fifteenth Year and Thereafter	256 Hours	358.4 Hours

2. Eligibility and Approval

General Leave must be pre-approved; except for illness, injury or family sickness, which may require a physician's statement for approval. Accrued General Leave may not be taken prior to six (6) months' service except for illness, injury or family sickness. General Leave accrued time is to be computed from hiring date anniversary. Employees shall not be permitted to take General Leave in excess of actual time earned. Employees on a forty (40) hour schedule shall not accrue General Leave in excess of six hundred forty (640) hours; fifty-six (56) hour employees shall not accrue General Leave in excess of eight hundred and ninety six (896) hours.

General Leave accumulated in excess of six hundred forty (640) hours for forty (40) hour schedule employees and General Leave accumulated in excess of eight hundred and ninety-six (896) hours for fifty-six (56) hour employees shall be paid at the base hourly rate of pay, on the first pay day following such accumulation.

Employees may not use their General Leave to advance their separation date on retirement or other separation from employment.

3. Conversion to Cash

Twice during each fiscal year, each employee shall have the option to convert into a cash payment up to a total of one hundred twenty (120) hours of earned General Leave benefits. The employee shall give two (2) weeks advance notice of their desire to exercise such option.

4. Transfer of the Value of General Leave at Separation

At the time of separation, the value of any unused earned General Leave (earned up to the last day of employment) will be transferred to either the employee's deferred compensation account or to the Retiree Medical Trust outlined in Article IX, Section E, on a pre-tax basis. The value of each hour of General Leave will be the employee's base rate of pay at separation.

The employee must make the election for the transfer (to either deferred compensation or the Retiree Medical Trust) no later than the pay period prior to the employee's last day of employment. If no election is made, all unused earned General Leave will be transferred to the Retiree Medical Trust upon separation. If the employee elects to place some of the General Leave into their deferred compensation account or reaches the maximum annual deferral into their deferred compensation account, the remaining amount will be transferred to the Retiree Medical Trust.

5. General Leave Pay at Separation for Employees Exempt from the Retiree Medical Trust

Upon separation of employment, employees exempt from the Retiree Medical Trust shall be paid for unused General Leave at their current regular rate of pay for all unused earned General Leave to which they are entitled up to and including the last day of employment.

B. Sick Leave

1. Accrual

No employee shall accrue sick leave.

2. Credit

Employees assigned to FMA shall carry forward their sick leave balance and shall no longer accrue sick leave credit.

3. Usage

Employees may use accrued sick leave for the same purposes for which it was used prior to the employee's assignment to FMA.

4. Family Sick Leave

The City will provide family and medical care leave for eligible employees that meet all requirements of State and Federal law. Rights and obligations are set forth in the Department of Labor Regulations implementing the Family Medical Leave Act (FMLA), and the regulations of the California Fair Employment and Housing Commission implementing the California Family Rights Act (CFRA).

5. Pay Off at Termination

- a. Employees hired after November 20, 1978, shall be entitled to the following sick leave payoff plan:

Upon termination, all employees shall be paid, at their then current forty (40) hour equivalent rate, for twenty-five percent (25%) of unused, earned sick leave to four hundred eighty (480) hours accrued, and for thirty-five percent (35%) of all unused, earned sick leave in excess of four hundred eighty (480) hours, but not to exceed seven hundred twenty (720) hours, except as provided in paragraph 4 below.

- b. Except as provided in paragraph 4 below, no employee shall be paid at termination for more than seven hundred twenty (720) hours of unused, accumulated sick leave. However, employees may

utilize accumulated sick leave on the basis of "last in, first out" meaning that sick leave accumulated in excess of the maximum for payoff may be utilized first for sick leave, as defined in Personnel Rule 18-8.

- c. Employees who had unused, accumulated sick leave in excess of seven hundred twenty (720) hours as of July 5, 1980, shall be compensated for such excess sick leave remaining on termination under the formulas described in paragraphs a and b above. In no event shall any employee be compensated upon termination for any accumulated sick leave in excess of the "cap" established by this paragraph (i.e., 720 hours plus the amount over seven hundred twenty (720) hours existing on July 5, 1980). Employees may continue to utilize sick leave accrued after that date in excess of such "cap" on a "last in, first out" basis.
- d. To the extent that any "capped" amount of excess sick leave over seven hundred twenty (720) hours is utilized, the maximum compensable amount shall be correspondingly reduced. (Example: Employee had one thousand (1,000) hours accumulated. Six months after July 5, 1980, employee has accumulated another forty eight (48) hours. Employee is then sick for one hundred (120) hours. Employee's maximum sick leave "cap" for compensation at termination is now reduced by seventy two (72) hours to nine hundred twenty-eight (928) hours.
- e. **Transfer of the Value of Sick Leave at Separation**
Upon separation of employment, the value of any unused sick leave, as determined in accordance with Section a-e above, will be transferred to either the employee's deferred compensation account or to the Retiree Medical Trust on a pre-tax basis.
- f. **Sick Leave Pay at Separation for Employees Exempt from the Retiree Medical Trust**
Upon separation of employment, employees exempt from the Retiree Medical Trust shall be paid for unused sick leave in accordance with Sections a-e above.

C. Bereavement Leave

Employees assigned to the forty (40) hour work week shall be entitled to Bereavement Leave not to exceed thirty (30) work hours in each instance of death in the immediate family.

Employees assigned to the fifty-six (56) hour work week for suppression assignments shall be entitled to Bereavement Leave not to exceed forty-eight (48) work hours in each instance of death in the immediate family.

Immediate family is defined as father, mother, sister, brother, spouse, registered domestic partner, children, grandfather, grandmother, stepfather, stepmother, step grandfather, step grandmother, grandchildren, stepsisters, stepbrothers, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, stepchildren, or wards of which the employee is the legal guardian.

8. Medicare

- a. All persons are eligible for Medicare coverage at age 65. Those with sufficient credited quarters of Social Security will receive Part A of Medicare at no cost. Those without sufficient credited quarters are still eligible for Medicare at age 65, but will have to pay for Part A of Medicare if the individual elects to take Medicare. In all cases, the participant pays for Part B of Medicare.
- b. When a retiree and their spouse are both 65 or over, and neither is eligible for paid Part A of Medicare, the Service Credit Subsidy shall pay for Part A for each of them or the maximum subsidy, whichever is less.

**FIRE MANAGEMENT ASSOCIATION
EXHIBIT B – SERVICE CREDIT SUBSIDY**

- c. When a retiree at age 65 is eligible for paid Part A of Medicare and their spouse is not eligible for paid Part A of Medicare, the spouse shall not receive the subsidy. When a retiree at age 65 is not eligible for paid Part A of Medicare and their spouse who is also age 65 is eligible for paid Part A of Medicare, the subsidy shall be for the retiree's Part A only.

9. Cancellation

- a. For retirees/dependents eligible for paid Part A of Medicare, the following cancellation provisions apply:
 - i. Coverage for a retiree under the Service Credit Subsidy Plan will be eliminated on the first day of the month in which the retiree reaches age 65.
 - ii. At age 65 retirees are eligible to make application for Medicare. Upon being considered "eligible to make application," whether or not application has been made for Medicare, the Service Credit Subsidy Plan will be eliminated.

EXHIBIT C – VOLUNTARY CATASTROPHIC LEAVE DONATION PROGRAM

Guidelines

1. Purpose

The purpose of the voluntary catastrophic leave donation program is to bridge employees who have been approved leave time to either; return to work, long-term disability, or medical retirement. Employees who accrue Vacation, General Leave or Exempt Compensatory Time may donate such leave to another employee when a catastrophic illness or injury befalls that employee or because the employee is needed to care for a seriously ill family member. The Leave Donation Program is Citywide across all departments and is intended to provide an additional benefit. Nothing in this program is intended to change current policy and practice for use and/or accrual of Vacation, General, or Sick Leave.

2. Definitions

Catastrophic Illness or Injury - A serious debilitating illness or injury, which incapacitates the employee or an employee's family member.

Family Member - For the purposes of this policy, the definition of family member is that defined in the Family Medical Leave Act (child, parent, spouse or domestic partner).

3. Eligible Leave

Accrued Exempt Compensatory Time, Vacation or General Leave hours may be donated. The minimum donation an employee may make is two (2) hours and the maximum is forty (40) hours.

4. Eligibility

Permanent employees who accrue Vacation or General Leave may donate such hours to eligible recipients. Exempt Compensatory Time accrued may also be donated. An eligible recipient is an employee who:

- Accrues Vacation or General Leave;
- Is not receiving disability benefits or Workers' Compensation payments; and
- Requests donated leave.

5. Transfer of Leave

The maximum donation credited to a recipient's leave account shall be the amount necessary to ensure continuation of the employee's salary

during the employee's period of approved catastrophic leave. Donations will be voluntary, confidential and irrevocable. Hours donated will be converted into a dollar amount based on the hourly wage of the donor. The dollar amount will then be converted into accrued hours based on the recipient's hourly wage.

An employee needing leave will complete a Leave Donation Request Form and submit it to the Department Director for approval. The Department Director will forward the form to Human Resources for processing. Human Resources, working with the department, will send out the request for leave donations.

Employees wanting to make donations will submit an Authorization for Donation to Payroll in the Finance Department.

All donation forms submitted to payroll will be date stamped and used in order received for each bi-weekly pay period. Multiple donations will be rotated in order to insure even use of time from donors. Any donation form submitted that is not needed will be returned to the donor.

FIRE MANAGEMENT ASSOCIATION
EXHIBIT D – ALTERNATIVE DISPUTE RESOLUTION AGREEMENT

LABOR MANAGEMENT WORKERS' COMPENSATION ALTERNATIVE DISPUTE RESOLUTION AGREEMENT BETWEEN THE CITY OF HUNTINGTON BEACH AND THE FIRE MANAGEMENT ASSOCIATION

This Labor Management Alternate Dispute Resolution Agreement ("Agreement") entered into by and between the City of Huntington Beach ("City") and the Fire Management Association ("FMA") is created pursuant to California Labor Code Section 3201.7(a)(3)(c). Nothing in this Agreement diminishes the entitlement of an employee to compensation payments for total or partial disability, temporary disability, or medical treatment fully paid by the employer as otherwise provided in Division 4 of the Labor Code. Nothing in this Agreement denies to any employee the right to representation by counsel at all stages during the alternative dispute resolution process.

Article I. Purpose

The purposes of this Agreement are:

1. To provide active employees claiming compensable injuries under Division 4 of the California Labor Code ("Workers' Compensation Law") with an expedited procedure to resolve medical disputes in accordance with Article IV, Section D of this Agreement to facilitate their prompt return to work at either full duties or a transitional duty assignment;
2. To provide retirees claiming a presumptive injury as defined by California Labor Code (hereinafter "Labor Code") section 3212 et seq. with an expedited procedure to resolve medical disputes in accordance with Article IV, Section D of the Agreement;
3. To reduce the number and severity of disputes between the City and covered employees, when those disputes relate to workers' compensation; and
4. To provide workers' compensation coverage in a way that improves labor management relations, improves organizational effectiveness, and reduces costs to the City.

These purposes will be achieved by utilizing an exclusive list of medical providers to be the sole and exclusive source of medical evaluations for disputed issues surrounding covered employees in accordance with California Labor Code Section 3201.7(c).

Now, therefore, in consideration of the mutual terms, covenants and conditions herein, the parties agree as follows:

FIRE MANAGEMENT ASSOCIATION
EXHIBIT D – ALTERNATIVE DISPUTE RESOLUTION AGREEMENT

Article II. Term of Agreement

The City and FMA enter into this Agreement with the understanding that the law authorizing this Agreement is new, untested and evolving. The parties further understand that this Agreement governs a pilot program and that it will become effective after it is executed by the parties, submitted to the Administrative Director of the State of California, Department of Industrial Relations, Division of Workers' Compensation in accordance with Title 8, California Code of Regulations, Section 10202(d), and accepted by the Administrative Director as evidenced by the Director's letter to the parties indicating approval of the Agreement. This Agreement shall be in effect for eighteen (18) months from the date of the implementation of the program. Thereafter, it shall be reviewed and, if found to be effective will continue and remain in force from year to year unless terminated by either party. Any claim arising from an industrial injury sustained before the termination of this Agreement shall continue to be covered by the terms of this Agreement, until all medical issues related to the pending claim are resolved. Any medical issue resolved under this Agreement shall be final and binding.

The parties reserve the right to terminate this Agreement at any time for good cause, by mutual agreement or by act of the legislature. The terminating party must give thirty (30) days written notice to the other party. The parties agree to meet and confer in good faith to try and resolve the issues underlying the termination during the thirty day period prior to the termination of the Agreement. Upon termination of this Agreement, the parties shall become fully subject to the provisions of the California law to the same extent as they were prior to the implementation of this Agreement, except as otherwise specified herein.

Article III. Scope of Agreement

- A. This Agreement applies only to injuries, as defined by Workers' Compensation Law, claims by 1) active employees; 2) retirees who claim a presumptive injury as defined by California Labor Code Section 3212 et seq.; and 3) active employees who file a claim and subsequently retire before the claim is resolved. Retirees who filed claims while they were active employees are covered under this Agreement only for the purposes of petitions to reopen a pre-existing claim unless covered under A(2). This Agreement does not apply to any other retired employees. This Agreement does not cover post-retirement amendments to active claims.
- B. Employees who are covered under this Agreement remain covered during the entire period of active employment.
- C. Injuries occurring and claims filed after termination of this Agreement are not covered by this Agreement.

FIRE MANAGEMENT ASSOCIATION
EXHIBIT D – ALTERNATIVE DISPUTE RESOLUTION AGREEMENT

- D. This Agreement is restricted to establishing an exclusive list of medical providers to be used for medical dispute resolution for the above-covered employees in accordance with California Labor Code Section 3201.7(c).

Article IV. Medical Provider

- A. This Agreement does not constitute a Medical Provider Network ("MPN"). Physicians who act as a covered employee's independent medical examiner ("IME") under this Agreement shall not act as the same employee's treating physician even if the physician has been pre-designated as the employee's treating physician, unless otherwise mutually agreed by the parties. Pre-designation of a physician must comply with the requirements set forth in Labor Code section 4600(d)(1).
- B. All employees with a disputed medical issue as described below in Section D must be evaluated by an approved physician from the exclusive list of approved medical providers. Said physician will serve as an IME. If the IME needs the opinion of a different specialist, the IME shall refer the employee to a physician of the IME's choice even if that doctor is not on the approved list. The exclusive list of approved medical providers will be established when the Agreement has been approved by all parties.
- C. The exclusive lists of approved medical providers shall include the specialties as agreed upon by the parties.
- D. An IME shall be used for all medical disputes that arise in connection with a workers' compensation claim including but not limited to determination of causation, the nature and extent of an injury, the nature and extent of permanent disability and apportionment, work restrictions, ability to return to work, including transitional duty, future medical care, and resolution of all disputes arising from utilization review, including need for spinal surgery pursuant to Labor Code section 4062(b). The parties will use the originally chosen IME for all subsequent disputes under this Agreement. In the event that said IME is no longer available, then the parties shall utilize the next specialist on the list pursuant to Article IV G d (below). The IME process will begin when either party gives the other written notice of an objection. Objections from the City will be sent to the employee with a copy to the employee's legal representative if represented and a copy to FMA. Objections from the employee or employee's legal representative will be sent to the employee's assigned Claims Examiner with a copy to the Claims Manager. Objections will be sent within thirty days of receipt of a medical report or a utilization review decision. A letter delaying decision of the claim automatically creates a dispute. A subsequent acceptance of the claim and/or resolution of the dispute issue eliminates the need for completion of the dispute resolution process set forth in this Agreement.

FIRE MANAGEMENT ASSOCIATION
EXHIBIT D – ALTERNATIVE DISPUTE RESOLUTION AGREEMENT

- E. The exclusive list of approved medical providers shall serve as the exclusive source of medical-legal evaluations as well as all other disputed medical issues arising from a claimed injury.
- F. The parties hereby agree that from time to time the exclusive list of approved medical providers may be amended. For either party to add an IME to the exclusive list of medical providers, the party must provide notice, in writing, to the other party of its intent to add a physician to the list. Absent a written objection to the other party within thirty (30) calendar days of receipt of the written proposal, the addition will be made. In the event there is an objection, the physician will not be added to the list. A physician may only be deleted from the exclusive list of medical providers if they breach the terms and conditions of the contract with the City or by mutual agreement of the parties.
- G. Appointments.
 - a. The Claims section of the Workers' Compensation Division shall make appointment(s) with the IME within ten days of the date of the objection and/or notification of delay for employees covered under this Agreement.
 - b. The employee shall be responsible for providing the Claims staff with their work schedule prior to an appointment being made so that appointments can be made during an employee's nonworking hours or the first or last hour of their workday. The amount of time allotted for hours spent at a physician's appointment during working hours will be subject to verification and will be allowed accordingly.
 - c. Mileage reimbursement to covered employees shall be consistent with City policy and in accordance with Labor Code Section 4600 (e)(2) unless transportation is provided by the City.
 - d. For purposes of appointments, the Claims staff will select the IME's by starting with the first name from the exclusive list of approved medical providers within the pertinent specialty, and continuing down the list, in order, until the list is exhausted, at which time the Claims staff will resume using the first name on the list.
 - e. The City is not liable for the cost of any medical examination used to resolve the parties' disputes governed by this Agreement where said examination is furnished by a medical provider that is not authorized by this Agreement. Medical evaluations cannot be obtained outside of this Agreement for disputes covered by this Agreement.
 - f. Both parties shall be bound by the opinions and recommendation of the IME selected in accordance with the terms of this Agreement.
- H. Industrial Disability Retirements
 - a. The City and FMA recognize that the ADR process can also be utilized to obtain a competent medical opinion as it relates to determining an employee's eligibility for an Industrial Disability Retirement (IDR), pursuant to California Government Code Sections 21154 and 21156(a)(2).
 - b. Pursuant to the guidelines outlined in Article IV of this Agreement, the City and the FMA shall meet and confer to identify an agreed-upon listing of IMEs

FIRE MANAGEMENT ASSOCIATION
EXHIBIT D – ALTERNATIVE DISPUTE RESOLUTION AGREEMENT

to serve as the competent medical examiner in reviewing the employee's eligibility for an IDR.

- I. Use of IME When Medical Disputes Exist
 - a. An IME shall be used for all medical disputes that arise in connection with a workers' compensation claim, including but not limited to determination of causation, the nature and extent of an injury, the nature and extent of permanent disability and apportionment, work restrictions, ability to return to work, including transitional duty, future medical care, and resolution of all disputes arising from utilization review, including need for spinal surgery pursuant to Labor Code Section 4062(b).
 - b. Furthermore, City and FMA agree that IME reports will be admissible in any proceeding and / or hearing involving an injured employee.

Article V. Discovery

- A. Employees covered by this Agreement shall provide the Claims staff with fully executed medical, employment and financial releases and any other documents reasonably necessary for the City to resolve the employee's claim, when requested.
- B. The parties agree they have met and conferred on the language of the medical/financial/employment releases to be used under this Agreement. If said releases cause undue delay and/or unforeseen adverse impact(s) to the City and/or the FMA and/or its members, then either party may request a meet and confer regarding said under delay and/or adverse impact(s). The parties shall meet and confer within 30 days of a party's request to meet and confer.
- C. Employees shall cooperate in providing a statement.
- D. This Agreement does not preclude a formal deposition of the applicant or the physician when necessary. Attorney's fees for employee depositions shall be covered by Labor Code section 5710. There will be no attorney's fees for doctor's depositions.

Article VI. General Provisions

- A. The Agreement constitutes the entire understanding of the parties and supersedes all other Agreements, oral or written, with respect to the subject matter in this Agreement.
- B. This Agreement shall be governed and construed pursuant to the laws of the State of California.
- C. This Agreement, including all attachments and exhibits, shall not be amended, nor any provisions waived, except in writing, signed by the parties which expressly refers to this Agreement.
- D. If any portion of this Agreement is found to be unenforceable or illegal the remaining portions shall remain in full force and effect.

FIRE MANAGEMENT ASSOCIATION
EXHIBIT D – ALTERNATIVE DISPUTE RESOLUTION AGREEMENT

- E. Notice required under this Agreement shall be provided to the parties as follows:
- F. In the event that there is any legal proceeding between the parties to enforce or interpret this Agreement or to protect or establish any rights or remedies hereunder, the prevailing party shall be entitled to its costs and expenses, including reasonable attorney's fees.
