## **\$5,000 Reward Offered for Information Relating to 2014 Murder in Huntington Beach**

Detectives from the Huntington Beach Police Department (HBPD) are asking for the public's assistance in providing information on a shooting that occurred in 2014 that resulted in the death of a 44-year-old male.

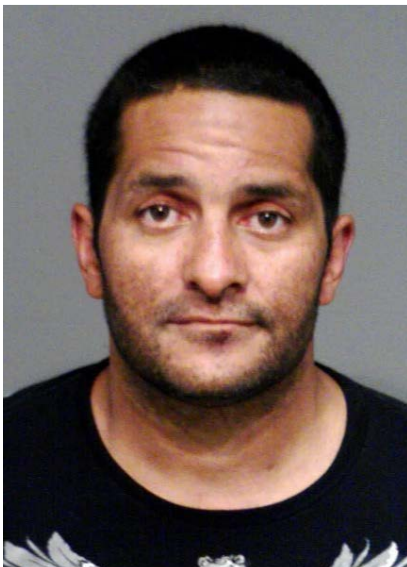

On May 10, 2014, at approximately 11:00 p.m., a man by the name of Tyrrell "T-Rex" Rathbun was shot and killed in the south alley of the 200 block of Memphis Avenue in Huntington Beach. Mr. Rathbun is believed to have been homeless at the time of the incident and was in possession of a black beach cruiser bicycle. HBPD detectives investigated the case and conducted extensive follow-up, which included interviewing over 100 people, however no arrest was made and the case has remained open.

Recently, a new witness contacted the police department to provide information and detectives are now actively working the case.

The HBPD, in partnership with Orange County Crime Stoppers, is offering up to a \$5,000 cash reward for any information provided that leads to the arrest and conviction of the person(s) responsible for the murder of Mr. Rathbun.

We are again asking for the public's assistance and for anyone with information to contact the HBPD Tip Line at 714-375-5066. Members of the public wishing to remain anonymous may contact Orange County Crime Stoppers at 855-TIP-OCCS (855-847-6227) or visit [www.occrimestoppers.org](http://www.occrimestoppers.org) to provide tips.
