

# FREE COMPOST COURTESY OF DEPARTMENT OF PUBLIC WORKS

## Compost Station Location

**City of Huntington Beach  
Corporate Yard**

17371 Gothard Street  
Huntington Beach, CA 92647  
Monday - Friday | 8 AM - 4 PM

**Self-Service: Please bring a shovel and container.**

**For more information, contact the City's Trash & Recycling Office  
(714) 375-5010 | [TrashInfo@surfcity-hb.org](mailto:TrashInfo@surfcity-hb.org)**

The compost being distributed comes from OC Waste & Recycling and is STA Certified, meaning it has the Seal of Testing Assurance through the US Compost Council. The County creates the compost material from green and organic waste collected from homes and businesses across Orange County.

---

## COMPOST FILLING GUIDELINES

Fill buckets 1/2 - 2/3 full. The amount of moisture in the compost will make load heavier.

Use proper lifting techniques when loading.

Do not overload vehicle. An overloaded vehicle can result in diminished handling and braking. Use extra care when driving.
