Notes:

<sup>1</sup> CalPERS Fiscal Year is July 1 - June 30

<sup>2</sup> The Public Employees' Pension Reform Act (PEPRA) implemented new benefit formulas and a 3 year final compensation period, as well as new contribution requirements for employees hired on or after 1/1/13 who meet the definition of a new member under PEPRA.

<sup>3</sup> Effective the beginning of the pay period including January 1, 2023, classic PMA members shall cost share an additional one percent (1%) compensation earnable in accordance with Government Code section 20516(f), for a total cost share of four percent (4%).

<sup>4</sup> Effective the beginning of the pay period including January 1, 2023, classic MSMA members shall cost share an additional two percent (2%) compensation earnable in accordance with Government Code section 20516(f), for a total cost share of two percent (2%).

<sup>5</sup> Effective the beginning of the pay period including January 1, 2023, PEPRA safety members in POA, PMA, HBFA, FMA and MSMA shall pay at least thirteen percent (13%) of pensionable compensation as their retirement contribution. If the required contribution per PEPRA (half the normal cost) is less than thirteen percent (13%), employees shall pay the difference between the required PEPRA contribution and thirteen percent (13%) as cost sharing per Government Code section 20516(f). If the required PEPRA contribution is at least thirteen percent (13%) or more, "new members" safety members will pay the required PEPRA contribution.
