City Proposal # 6
May 8, 2018

Term: November 1, 2017 – October 31, 2019

Effective the beginning of the pay period following City Council final approval of the successor MOU, each bargaining unit member shall receive a maximum of \$100 per employee per month towards any non-PERSABLE item to be determined by the Association (options: Medical/Dental/Vision/Deferred Compensation/Other).

City agrees to add to Article XIV-Miscellaneous, Section B. Vehicle Policy, #7 the classification of Water Quality Supervisor as eligible to receive Auto Allowance.

Any incumbent in the classification impacted by this change will be eligible for this compensation effective the beginning of the pay period following final City Council approval of the successor MOU.

The City will also be proposing some clean up language of the MOU which the City views as non-substantive. The City will provide the proposed language to the Association in future proposals; this will include incorporating into the MOU any legislative/regulatory matters/changes requiring City compliance.

The City rejects MEO's proposal dated May 2, 2018.
