Release Date: July 26, 2025

Single-Vehicle Collision Damages Homes on Newland Street; Juvenile Driver Cited for Reckless Driving

On Friday, July 25, 2025, at 10:37 PM, Huntington Beach Police Department officers responded to reports of a traffic collision at 19101 Newland St. Arriving officers discovered a single vehicle had collided with a tree and two residential homes.

The driver, a 17-year-old male, and the 18-year-old male passenger only had complaints of pain; however, due to the nature of the collision, both were transported to UCI Medical Center by the Huntington Beach Fire Department.

There were no injuries to the impacted residents; however, due to the damage, Huntington Beach fire personnel secured the structures. City building inspectors also responded and limited occupancy to one of the structures until power is restored.

Based on the preliminary investigation, it appears that the vehicle was traveling south on Newland Street at a high rate of speed when the driver lost control. Impairment is not suspected. The juvenile driver was cited for driving without a license, in violation of California Vehicle Code Section 12500(a), reckless driving, in violation of California Vehicle Code Section 23103(a), and released to a guardian.

Anyone with information regarding the accident can contact the Huntington Beach Police Department Traffic Investigators at (714) 536-5663.
