1. **Equalization Department** – Resolution Appointing William E. Fowler as Acting County Grant Administrator for the 2019 Ingham County Remonumentation Project

MOVED BY COMM. GREBNER, SUPPORTED BY COMM. MAIVILLE, TO APPROVE THE RESOLUTION.

Commissioner Grebner stated that it has always bothered him that historically there had been people involved in the remonumentation process who felt it was their job to prevent the surveyors from competing against each other by dealing the money out equally. He further stated that it was common practice for to rig the process so that all the bids would come in the same.

Commissioner Grebner asked if Ronnie Lester was still involved in the process.

Bill Fowler, Equalization Director, stated that Mr. Lester was still under contract.

Commissioner Grebner stated that, even thought this was such a small project that was of such little importance to the public, the County should not set its seal of approval on a process that smells bad.

Chairperson Celentino stated that this resolution called for appointing Mr. Fowler as the Grant Administrator. He asked if Commissioner Grebner was against that.

Commissioner Grebner stated that he was not at all against appointing Mr. Fowler.

Mr. Fowler stated that the previous grant administrator retired on July 19, 2019 and in order to move forward with the remonumentation project that was already passed by the Board of Commissioners there needed to be a new grant administrator in place.

Commissioner Grebner stated that this was just a continuation of the tail-end of a regime. He further stated that this was such a tiny amount of money that did not involve any real effect on the public, but it was just a bad idea to do the wrong thing.

Commissioner Maiville asked how many corners were complete.

Mr. Fowler stated that the project was 92% complete and that it would take approximately three more years to complete the program and then move into maintenance.

Commissioner Maiville asked, with all the changes in technology since the 1970’s, if the project would revisit what was done back then.

Mr. Fowler stated that that fell under maintenance and that the surveyors would revisit those initial corners using the updated process which included GPS coordinates.
Commissioner Sebold proposed the following amendment:

WHEREAS, at their November 13, 2018 meeting, by Resolution #18-458, the Ingham County Board of Commissioners appointed Robert L. Francis for the related services of County Grant Administrator as required by Act 345, P.A. 1990; and

This was considered a friendly amendment.

THE MOTION TO APPROVE THE RESOLUTION, AS AMENDED, CARRIED UNANIMOUSLY. Absent: Commissioner Koenig.
