STATE PROPOSALS  

PROPOSAL 15-1  

A proposal to amend the State Constitution to increase the sales/use tax from 6% to 7% to replace and supplement reduced revenue to the School Aid Fund and local units of government caused by the elimination of the sales/use tax on gasoline and diesel fuel for vehicles operating on public roads, and to give effect to laws that provide additional money for roads and other transportation purposes by increasing the gas tax and vehicle registration fees.

The proposed constitutional amendment would:

• Eliminate sales/use taxes on gasoline/diesel fuel for vehicles on public roads.

• Increase portion of use tax dedicated to School Aid Fund (SAF).

• Expand use of SAF to community colleges and career/technical education, and prohibit use for 4-year colleges/universities.

• Give effect to laws, including those that:

  o Increase sales/use tax to 7%, as authorized by constitutional amendment.

  o Increase gasoline/diesel fuel tax and adjust annually for inflation, increase vehicle registration fees, and dedicate revenue for roads and other transportation purposes.

  o Expand competitive bidding and warranties for road projects.

  o Increase earned income tax credit.

NON-HOMESTEAD MILLAGE REAUTHORIZATION PROPOSAL

This proposal would reauthorize the levy of mills by Williamston Community Schools for general operating purposes, and would restore the authority lost through application of the Headlee Amendment to the Michigan Constitution. Approval of this proposal would allow the District to continue to receive revenues at the full foundation allowance permitted by the State.

Shall the limitation on the amount of tax upon taxable non-homestead property in Williamston Community Schools, Ingham County, Michigan be increased by 18.00 mills ($18.00 per $1,000 of taxable value) for twenty years, the years 2016 to 2035, inclusive, to provide funds for operating expenses of the District? If approved, this millage would raise an estimated $1,300,000 for the District in 2016.
