

## **13.82 COMPREHENSIVE LAW ENFORCEMENT DATA.**

---

### **Arrest data**

The following data created or collected by law enforcement agencies which documents any actions taken by them to cite, arrest, incarcerate or otherwise substantially deprive an adult individual of liberty shall be public at all times in the originating agency:

- (a) time, date and place of the action;
- (b) any resistance encountered by the agency;
- (c) any pursuit engaged in by the agency;
- (d) whether any weapons were used by the agency or other individual;
- (e) the charge, arrest or search warrants, or other legal basis for the action;
- (f) the identities of the agencies, units within the agencies and individual persons taking the action;
- (g) whether and where the individual is being held in custody or is being incarcerated by the agency;
- (h) the date, time and legal basis for any transfer of custody and the identity of the agency or person who received custody;
- (i) the date, time and legal basis for any release from custody or incarceration;

(j) the name, age, sex and last known address of an adult person or the age and sex of any juvenile person cited, arrested, incarcerated or otherwise substantially deprived of liberty;

(k) whether the agency employed wiretaps or other eavesdropping techniques, unless the release of this specific data would jeopardize an ongoing investigation;

(l) the manner in which the agencies received the information that led to the arrest and the names of individuals who supplied the information unless the identities of those individuals qualify for protection under subdivision 17; and

(m) response or incident report number.

### **Request for service data**

The following data created or collected by law enforcement agencies which documents requests by the public for law enforcement services shall be public government data:

(a) the nature of the request or the activity complained of;

(b) the name and address of the individual making the request unless the identity of the individual qualifies for protection under subdivision 17;

(c) the time and date of the request or complaint;  
and

(d) the response initiated and the response or  
incident report number.

### **Audio recording of 911 call**

The audio recording of a call placed to a 911 system for the purpose of requesting service from a law enforcement, fire, or medical agency is private data on individuals with respect to the individual making the call, except that a written transcript of the audio recording is public, unless it reveals the identity of an individual otherwise protected under subdivision 17. A transcript shall be prepared upon request. The person requesting the transcript shall pay the actual cost of transcribing the call, in addition to any other applicable costs provided under section [13.03, subdivision 3](#). The audio recording may be disseminated to law enforcement agencies for investigative purposes. The audio recording may be used for public safety and emergency medical services training purposes.

### **Response or incident data**

The following data created or collected by law enforcement agencies which documents the agency's response to a request for service including, but not limited to, responses to traffic accidents, or which describes actions taken by the agency on its own initiative shall be public government data:

- (a) date, time and place of the action;
- (b) agencies, units of agencies and individual agency personnel participating in the action unless the identities of agency personnel qualify for protection under subdivision 17;
- (c) any resistance encountered by the agency;
- (d) any pursuit engaged in by the agency;
- (e) whether any weapons were used by the agency or other individuals;
- (f) a brief factual reconstruction of events associated with the action;
- (g) names and addresses of witnesses to the agency action or the incident unless the identity of any witness qualifies for protection under subdivision 17;
- (h) names and addresses of any victims or casualties unless the identities of those individuals qualify for protection under subdivision 17;
- (i) the name and location of the health care facility to which victims or casualties were taken;

- (j) response or incident report number;
- (k) dates of birth of the parties involved in a traffic accident;
- (l) whether the parties involved were wearing seat belts; and
- (m) the alcohol concentration of each driver
