

CITY OF LAGRANGE, GEORGIA
ELECTRIC VEHICLE CHARGER REBATE
Revised July 1, 2024

AVAILABILITY:

Throughout the City's service area from existing lines of adequate capacity.

APPLICABILITY:

Applicable to any City of LaGrange electric customer. Eligible customers must be the property owner, or have the express permission of the property owner, to install the EV charger.

REBATE AMOUNT:

\$250 one-time payment

TERMS AND CONDITIONS:

1. All necessary permits and inspections must be obtained through the city building office.
2. All electric vehicle chargers are subject to visual verification by the city electric department.
3. The city's liability and responsibility in connection with the Electric Vehicle Charger Rebate Program shall be strictly limited to the making of certain rebate payments for eligible equipment, and the city is not making, will not be providing, and specifically disclaims any representations, warranties, covenants or guaranties whatsoever, express or implied, in connection with the electric charger or the Program itself, including, without limitation, those regarding merchantability or fitness.
4. Warranties with respect to the charger are strictly manufacturer's warranties, and applicant shall not make, nor have the right to make, any claims against the city relating to any such warranty. The city shall in no way be liable or responsible for any equipment installed by, or for any act or omission of, any other entity or individual, including, without limitation, equipment manufacturer, any electrician, technician, or other service provider.
5. Customer must complete and submit an "Electric Vehicle Charger Rebate Request Form," which can be found on the city's website.

All electric vehicle chargers installed under this program are subject to visual verification by the City of LaGrange Electric Department. If your EV charger installation is selected for a field audit, you will be contacted to schedule an appointment. By signing and submitting this Rebate Request Form you agree to provide reasonable access to the installation site for inspection during normal business hours.

Terms and Conditions (Summary):

Rebates available only for new, customer-purchased L2 (208/240V) chargers. By signing and submitting this Rebate Request Form, applicant affirms that all city, county, or state government, property owner, or homeowners association restrictions, rules, codes and regulations were complied with and all necessary permits were obtained prior to charger installation. The City of LaGrange reserves the right to cancel or modify this rebate program at any time in its sole discretion.

By signing and submitting this Rebate Request Form, applicant acknowledges and agrees that City of LaGrange's liability and responsibility in connection with the Electric Vehicle Charger Rebate Program shall be strictly limited to the making of certain rebate payments for eligible equipment, and that the City of LaGrange is not making, will not be providing and specifically disclaims any representations, warranties, covenants or guaranties whatsoever, express or implied, in connection with the electric charger or the Program itself, including, without limitation, those regarding merchantability or fitness. Warranties with respect to the charger are strictly manufacturer's warranties, and applicant shall not make, nor have the right to make, any claims against the City of LaGrange relating to any such warranty. The City of LaGrange shall in no way be liable or responsible for any equipment installed by, or for any act or omission of, any other entity or individual, including, without limitation, equipment manufacturer, any electrician, technician, or other service provider.
