Re: Public Records Act Request Received Via Email August 23, 2023

Dear [REDACTED]

This letter responds to your request for records under the California Public Records Act (Gov. §§ 7920.000 – 7930.215), received via email on August 23, 2023. You requested the following records:

*"I am looking for a list of all open code violations of properties in the city of *. Including all active violations such as tall grass, property structure damages, etc. Dating from January of 2023 to this last month (July of 2023).*

Lake Arrowhead Community Services District (District) is located within San Bernardino County, and we provide water and wastewater services. Our District does not issue "violations such as tall grass" or "property structure damages violations." We suggest contacting San Bernardino County regarding the records referenced above.

If you have any questions concerning this letter, please feel free to contact me at (909) 336 -7117 or kfield@lakearrowheadcsd.com.

Sincerely,
