**Re: Public Records Act Request Received Via Email June 20, 2023**

Dear Mr. [REDACTED],

This letter responds to your request for records under the California Public Records Act ("PRA") (Gov. §§ 7920.000 – 7930.215), received via email on June 20, 2023. You also contacted our Engineering Department. You asked for the following information as follows:

*APN: 0345-104-08*

*1- lake rights for the parcel and whether I need to pay fees*

*2- I am planning to build and is will there be major issues that would block me to build*

Response 1) Engineering staff returned your call on June 21, 2023, informing you to contact Arrowhead Lake Association regarding lake rights and that the parcel referenced above was located in Deer Lodge Park and had no lake rights.

Response 2) Sewer is not available in the area for the parcel referenced above. Water for this parcel would require a Facility Expansion at the owner's cost.

I contacted you on June 21, 2023, at [REDACTED] [REDACTED] and you confirmed that the information provided by our Engineering Department staff satisfied your request. We will consider this request fulfilled.

Sincerely,

*Kathleen Field*
