Re: Public Records Act Request Received Via Email June 25, 2023

Dear Mr. [REDACTED],

This letter responds to your request for records under the California Public Records Act (Gov. §§ 7920.000 – 7930.215), sent via email on June 25, 2023, and received on June 26, 2023. You requested the following records:

“I’m requesting public records for Solar permitting that has been approved in the past 45 days. I’m also seeking records that would show what permitting requests have been made that have yet to be approved in the past 45 days”.

Lake Arrowhead Community Services District (District) is located within San Bernardino County, and we provide water and wastewater services. Our District does not issue “solar permitting.” We suggest that you contact San Bernardino County regarding the records referenced above.

If you have any questions concerning this letter, please feel free to contact me at (909) 336 -7117 or kfield@lakearrowheadcsd.com.

Sincerely,

A handwritten signature in black ink that reads "Kathleen Field". The signature is written in a cursive, flowing style.
