Re: Public Records Act Request Sent September 10, 2023, Received on September 11, 2023

Dear [REDACTED]

We are in receipt of your request for records under the California Public Records Act (Gov. §§ 7920.000 – 7930.215) sent on September 10, 2023, and received on September 11, 2023, in which you requested the information below:

"I'd like to see any soils reports and home plans available."

On September 11, 2023, I contacted you via telephone at [REDACTED] to clarify and obtain additional information on the records you were seeking. As discussed, Lake Arrowhead Community Services District provides water and wastewater services, and you would contact San Bernardino County regarding the requested documents above.

As mentioned during our conversation, we will consider the Public Records Act request withdrawn and this matter closed. If you have any questions concerning this letter, please feel free to contact me at (909) 336 -7117 or kfield@lakearrowheadcsd.com.

Sincerely,

A handwritten signature in blue ink that reads "Kathleen Field".
