WATER FILTER REBATE PROGRAM

June 26, 2024

	LAKE ARROWHEAD COMMUNITY SERVICES DISTRICT	Section 1.0
		Revision Date 06/26/2024
WATER FILTER REBATE PROGRAM		

- 1.1 On June 25, 2024, the Board of Directors of the Lake Arrowhead Community Services District authorized a rebate to offset the costs of in-home water filters that remove per- and polyfluoroalkyl substances (PFAS) for water customers in Arrowhead Woods.
- 1.2 The rebate may cover devices and replacement filters.
- 1.3 The following parameters were defined for the rebate:
 - 1.3.1 One time only per property
 - 1.3.2 Up to \$100 per property
 - 1.3.3 Credited to the water bill
 - 1.3.4 Filter must be certified to remove PFAS
 - NSF/ANSI 53 or 58 or;
 - Water Quality Association Certification or;
 - Reverse Osmosis
 - 1.3.5 Purchases starting in November, 2023 are eligible
 - 1.3.6 Maximum total expenditure not to exceed \$100,000
 - 1.3.7 Rebate will end once the District has installed PFAS removal treatment
- 1.4 The following customers qualify for the rebate:
 - 1.4.1 Arrowhead Woods water customers
 - 1.4.2 Residential customers only
- 1.5 To receive the rebate, the following must be provided:
 - 1.5.1 Proof of purchase
 - 1.5.2 Picture of certification that filter is NSF/ANSI 53 or 58, certified by the Water Quality Association or reverse osmosis
 - 1.5.3 Rebate request form
