

Dear Chamber and Prospective Members:

As history states, in 1941, the Lyons Chamber of Commerce was formed with one goal in mind... to promote local businesses and foster community spirit. And for 2019, we are envisioning just that. Although by different means than historically performed, we, the Board of Directors, are excited to continue the same aspirations for 2019 and beyond.

Simply put, we are all in this together. We all have a stake in this **community**. We all have goals to succeed, not just individually, but our entire community as a whole. No one person, group, committee or organization can positively impact an entire population. It takes ALL persons, ALL groups, ALL committees and ALL organizations **working together** to positively impact each and every one of us. The time is now and it all begins with you!

It's that time again to join or renew your membership with the Lyons Chamber of Commerce. On behalf of the Board of Directors, we thank you for your past and ongoing support of our community. If you're thinking of joining and wonder "what can The Chamber do for me," the answer is simple. A Chamber membership allows you access to the easiest and most cost efficient networking and marketing tool available for Lyons and surrounding areas. Whether you want to promote a sale item, make a community announcement, recognize an employee, spotlight an award, sponsor an event, volunteer for a committee, or simply advertise an event that you're apart of, our online social advertising is blasted out to thousands of citizens throughout Lyons, Rice County and neighboring counties.

Your membership is vital to our ability to continue delivering business support and events to promote Lyons, Kansas. We thank you for your patience and understanding during our restructuring phase. A new year brings **opportunities** to expand our businesses and grow our Chamber. Our **strength** and vitality comes from the **unity** within our community and our presence in the community. Much change has been in the air the last year, which sparked new ideas and renewed excitement for 2019. We are looking forward to the "New" Chamber of 2019 and with your support; we anticipate a very successful year.

Thank you for helping us strengthen our community,

Lyons Chamber of Commerce Board of Directors
