MADL Laketon Library Branch – The new Laketon Township Branch is opening this week, Wednesday August 17th.

Ravenna Storyville – R. Rinsema-Sybenga explained that the Storyville village will be installed around the first week of October during the branch closure for the remodel.

Strategic Plan – R. Suszek presented the 2022/2023 Strategic Plan initiatives for 2022-2023 which includes a total re-brand and new logo in preparation for the upcoming millage renewal. Another important goal is EDI which will begin with educating the Management team, collaborating with the Board on sustainability and support and then educating library staff by detailing the implementation plan.

New Business
HVAC for Administration & LVPD – MADL Administration/LVPD building has four (4) furnaces and three (3) A/C units that are original to the building and are starting to show their age of twenty-two (22) years. MADL has requested service calls on the units at the LVPD multiple times in the last couple of months for cooling issues. We believe it is best to get ahead of this issue and replace the units in the LVPD and Administration Offices before they become a bigger problem in the winter. We received quotes from Bishop Heating & Air Conditioning, Hurst Mechanical and Jewett Heating & Cooling. D. Hughes stated that the Finance Committee supports the acceptance of the Bishop Heating & Air Conditioning proposal.

**Motion by Hodges, Second by Cruz/Aerts**

That the MADL Board accepts the quote by Bishop Heating & Air Conditioning to replace the aging furnaces and A/C units at the Administration Offices and LVPD. The work is not to exceed $27,949.00 without approval of the Board.
