Due to the pandemic, all branch hours except for the Muskegon Township Branch are open Monday, Tuesday, Thursday from 8:00 am – 5:00 pm, and on Wednesday from 11:00 am – 7:00 pm. The Muskegon Township Branch is open only on Tuesday and Wednesday at the times listed above.

We are excited about many new library branch improvements happening now. Renovations are underway at four branches and all are expected to be completed in the spring. Our township officials are updating the physical environment to accommodate social distancing for all areas requested of MADL during the COVID pandemic.

We are reimagining our libraries by creating more things for our community – spaces with inviting furniture and materials that transform into creative play and learning areas. We have studied our spaces and created centers that are fun and inviting for all, with open, user-friendly and accessible spaces. MADL is working to meet the needs of our community. As a result, another branch will be completed in the spring. Here is a short list of improvements:

North Muskegon Branch:
- New space to maximize efficiency
- New furniture, shelving and flooring

Muskegon Heights Branch:
- New shelving
- New furniture
- New computer stations

Egbert Branch:
- Planning and updates to youth area
- New carpet and furniture

Norton Shores Branch

Shifting Gears During a Pandemic
During the COVID-19 pandemic, we adjusted our operations to provide essential services while being mindful of the safety and well-being of all. During an Executive Order by the Governor, MADL was able to continue offering curbside service and planned in conjunction with county and city officials to update the physical environment to provide a better library experience. New locations, including new branch developments, are the same at this time. Branches are open Monday, Tuesday, Thursday and Friday from 11:00 am – 7:00 pm, except the Muskegon Township Branch.

Due to the pandemic, we adjusted our operations to provide essential services while being mindful of the safety and well-being of all. During an Executive Order by the Governor, MADL was able to continue offering curbside service and planned in conjunction with county and city officials.

Due to the limited capacity, we will continue to have programs available by appointment for advance sign-up.
