

CITY OF NAVASOTA  
ANIMAL SHELTER OWNER RECLAIM

If we have one of your animals, please let us know as soon as possible. Animals on impound are held for three days if not wearing any identification and for five days if wearing identification (identification would include a rabies tag, a personalized tag, or a microchip). Proof of ownership is required to reclaim any animal, and a current rabies vaccination must be provided on all dogs and cats. After the Impound period is complete, the animal becomes the property of the Shelter, and the animal will undergo an adoption evaluation. If an owner fails to reclaim their animal, they are still responsible for all fees involved.

Fee Schedule

Date: \_\_\_\_\_

Item	Fee	Each Additional Day
