- Verify Unauthorized Account Access:
 - [Instagram](#)
 - [iPhone](#)
 - [Google](#)
 - Or: Internet Search "login activity" & account in question
- [Run a Google Account Security Check](#)
- [Apple Safety Check](#)
- [Blocking, Muting and Restricting on Social Media](#)
- Financial Abuse Resources:
 - [Venmo Safety Guide](#)
 - [FreeFrom.org](#)
 - [NNEDV Independence Project: Credit Building Program](#)
 - [YourToolkit.com](#)
- Verifying Anonymous Email Harassment*
 - Proceed to email login page > enter harassing email address > select 'forgot password' > choose account recovery option that shows partial email or phone number > see if it matches that of suspected attacker.
 - *Expectation: This only works sometimes and will only produce a partial email or phone number when it does.
 - *Do Not Actually Attempt to Login as Attacker May Be Notified
- [Refuge Smart Home Safety Guide](#)
- [Fing App](#): Verify Devices Using Home Wifi
- Device Safety Guides: [Consumer Reports Security Planner](#)
- Ring Security Guides
 - [English](#)
 - [Spanish](#)
 - [Advocate Guide](#)
