

CITY OF NORTH PLAINS

Operating Mission, Principles and Goals

Adopted by City Council May 2024

MISSION

Responsibly steward resources to deliver high-quality municipal services while maintaining fiscal stability.

PURPOSE

Collaboratively build and uphold a shared vision for a safe, welcoming, and dynamic community.

PRINCIPLES

Always act and communicate with integrity.

Earn community trust through transparency.

Consider all community members in decision-making.

Foster inclusion and sense of belonging.

GOALS

City services aligned with community growth.

Adjust services to align with planned growth, improve health and safety, and provide unique community spaces.

Intentional, thoughtful growth to sustain a balanced community.

Expand economic opportunity through strategic investments to help maintain reasonable property taxes, a distinct community identity, a vibrant downtown, and exceptional community livability.

Proactive and inclusive communications that bring people together.

Expand and promote community involvement, pride, and volunteerism.
