FREE! National Night Out
Civic Center Lawn, 12700 Norwalk Blvd

National Night Out is an annual event intended to bring communities across America together to take a stand against crime, drugs, and disorder in their neighborhoods.

Join the City of Norwalk, Department of Public Safety, and Norwalk Sheriff's Station at this year's Summer Concert Series featuring The Remix Band, as we join members of the community in affirming our conviction against crime and disorder.

If you are unable to attend this event, you can still participate at home and in your neighborhood. During the designated time, just turn on your porch light and take a walk around your block; meet at least two neighbors that you have not met before – it's the perfect opportunity!

You can also make a commitment to get involved in the Neighborhood Watch Program. This year-round program brings you, your neighbors, the Department of Public Safety, and the Norwalk Sheriff's Station together to help ensure safe neighborhoods and a safe community! Call (562) 929-5732 for more information on how you can get involved in the Neighborhood Watch Program and "make a difference!"
