

Acquired Structures Program

Residential, Commercial and Multi-Family buildings :

We are looking for properties that will be demolished for future new construction projects.

Benefits of donations:

- Tax benefits: Have an appraisal completed to deduct the fair market value of the property donation, per IRS form 8283, must be conducted prior to the SKCFTC performing drills.
- Reduced demolition cost for live fire training

Need to do:

- Review AST Cover Sheet (AST 1)
- Review AST Flow Chart and Schedule a site visit. (AST 2)
- Review and sign the Hold Harmless form and electronically return (AST 3)
- Complete the Intake Form (AST 5)

Contact Nathan Facchini for more information and forms.
