## Agenda Memo

**BOARD:** Compensation Commission

**MEETING DATE:** October 21, 2020 – 1:00 P.M.      **PREPARED:** October 12, 2020

**AGENDA SUBJECT:** Mayor and Councilmembers Salaries Discussion

**RECOMMENDATION:** That the Compensation Commission discuss Mayor and Councilmember salaries

---

**Background** On August 3, 2020, City Council adopted Ordinance 779 establishing a Compensation Commission to consider a change in compensation for elected officials. See enclosed ordinance. Typically, cities create a Compensation Commission appointed by the Mayor and confirmed by a majority of City Councilmembers to determine salaries of elected officials. See enclosed salary survey for the Mayor and City Council positions completed by staff in March of this year. We have also included the City Charter – see Section 4.7 Compensation.

Changes to compensation for elected officials is considered an amendment to the City Charter and therefore does not require a vote of the people.

Ordinance highlights are as follows:

- Principal duty of the Commission is to determine the salaries of all locally elected officials.
- Commission shall consist of five members who are registered electors in the City.
- Terms of Office include one member for one year, one for two years, one for three years, one for four years and one for five years.
- Eligibility of members shall not include any member or employee of the legislative, judicial or executive branch of any level of government or member of the immediate family of such member or employee.
- Duties of the Compensation Commission are established by PA 279 subsection 5(c). See enclosed Public Act. The Act states that the Commission will set the compensation of elected officials unless 2/3 of the Councilmembers reject it. If the Council rejects, the existing salary shall prevail.

**Action** That the Compensation Commission discuss salaries for the Mayor and Councilmembers. According to the Home Rule City Act the Compensation Commission shall make its determination within 45 calendar days after its first meeting.

Sec. 5c. In place of a charter provision existing on December 31, 1972 establishing the salaries or the procedure for determining salaries of elected officials, the governing body may establish, by ordinance, the procedure described in this section, in which case the restriction contained in a charter provision with respect to changing salaries during term shall be inapplicable. The ordinance shall provide the following:

(a) A local officers compensation commission is created which shall determine the salaries of each local elected official. The commission shall consist of 5 members in a city of 20,000 population or less and 7 members in a city of over 20,000 population. The members shall be registered electors of the city, appointed by the mayor subject to confirmation by a majority of the members elected and serving in the legislative body. In the case of a 5-member commission, the terms of office shall be 5 years, except that of the members first appointed, 1 each shall be appointed for terms of 1, 2, 3, 4, and 5 years. In the case of a 7-member commission, the terms of office shall be 7 years, except that of the members first appointed, 1 each shall be appointed for terms of 1, 2, 3, 4, 5, 6, and 7 years. The first members shall be appointed within 30 days after the effective date of the ordinance. Members other than the first members shall be appointed before October 1 of the year of appointment. Vacancies shall be filled for the remainder of the unexpired term. A member or employee of the legislative, judicial, or executive branch of government or a member of the immediate family of a member or employee of the legislative, judicial, or executive branch of government shall not be a member of the commission.

(b) The commission shall determine the salary of each local elected official. The determination shall be the salary unless the legislative body, by resolution adopted by 2/3 of the members elected to and serving on the legislative body, rejects it. The determination of the commission shall be effective 30 days following its filing with the city clerk unless rejected by the legislative body. If the determination is rejected, the existing salary shall prevail. The expense allowance or reimbursement paid to elected officials in addition to salary shall be for expenses incurred in the course of city business and accounted for to the city.

(c) The commission shall meet for not more than 15 session days in each odd numbered year and shall make its determination within 45 calendar days after its first meeting. A majority of the members of the commission constitutes a quorum for conducting the business of the commission. The commission shall not take action or make a determination without a concurrence of a majority of the members appointed and serving on the commission. The commission shall elect a chairperson from among its members. As used in this section, "session day" means a calendar day on which the commission meets and a quorum is present. The members of the commission shall not receive compensation, but shall be entitled to actual and necessary expenses incurred in the performance of official duties.

(d) The business which the commission may perform shall be conducted at a public meeting of the commission held in compliance with Act No. 267 of the Public Acts of 1976, being sections 15.261 to 15.275 of the Michigan Compiled Laws. Public notice of the time, date, and place of the meeting of the commission shall be given in the manner required by Act No. 267 of the Public Acts of 1976.

(e) A writing prepared, owned, used, in the possession of, or retained by the commission in the performance of an official function shall be made available to the public in compliance with Act No. 442 of the Public Acts of 1976, being sections 15.231 to 15.246 of the Michigan Compiled Laws.

(f) The governing body shall implement this section by resolution. After 1 year following the date the ordinance goes into effect the procedure for establishing the compensation of elected officials may be changed by charter amendment or revision.

(g) Not more than 60 days after the effective date of the ordinance, a petition for a referendum on the ordinance may be filed pursuant to the procedure provided in the charter or otherwise by filing a petition with the city clerk containing the signatures of at least 5% of the registered electors of the city on the effective date of the ordinance. The election shall be conducted in the same manner as an election on a charter amendment. If a petition for referendum is filed, a determination of the commission shall not be effective until the ordinance has been approved by the electors.
