

RESOLUTION 14610

RESOLVED, that permission to use parks for commercial activity may be granted by the City Manager under the following circumstances:

The activity is part of a community oriented special program or festival;

The activity is not in direct competition with a city business or service club or if the activity is carried out by a city business or club;

The sponsor or applicant shall be responsible for cleaning up the park after the activity; and

The activity will not result in damage to the Park.

If the request is denied by the City Manager, the applicant may appeal the Manager's decision to the City Council.
