**303.01 COMPLIANCE WITH LAWFUL ORDER OF POLICE OFFICER;
FLEEING.**

(a) No person shall fail to comply with any lawful order or direction of any police officer invested with authority to direct, control or regulate traffic.

(b) No person shall operate a motor vehicle so as willfully to elude or flee a police officer after receiving a visible or audible signal from a police officer to bring the person's motor vehicle to a stop.

(EDITOR'S NOTE: Refer to Ohio R.C. 2921.331 for filing charges under subsection (b) hereof since the jury or judge as trier of fact may determine the violation to be a felony.)

(c) Whoever violates this section is guilty of failure to comply with an order or signal of a police officer. A violation of subsection (a) is a misdemeanor of the first degree. Except as hereinafter provided, a violation of subsection (b) is a misdemeanor of the first degree. A violation of subsection (b) is a felony if the jury or judge as trier of fact finds any one of the following by proof beyond a reasonable doubt:

- (1) In committing the offense, the offender was fleeing immediately after the commission of a felony;
- (2) The operation of the motor vehicle by the offender was a proximate cause of serious physical harm to persons or property;
- (3) The operation of the motor vehicle by the offender caused a substantial risk of serious physical harm to persons or property.

(d) In addition to any other sanction imposed for a violation of subsection (a) of this section or a misdemeanor violation of subsection (b) of this section, the court shall impose a class five suspension from the range specified in Ohio R.C. 4510.02(A)(5). If the offender previously has been found guilty of an offense under this section, in addition to any other sanction imposed for the offense, the court shall impose a class one suspension as described in division (A)(1) of that section. The court may grant limited driving privileges to the offender on a suspension imposed for a misdemeanor violation of this section as set forth in Ohio R.C. 4510.021. No judge shall suspend the first three years of suspension under a class two suspension of an offender's license, permit or privilege required by this division on any portion of the suspension under a class one suspension of an offender's license, permit, or privilege required by this subsection.
(ORC 2921.331)

303.02 TRAFFIC DIRECTION IN EMERGENCIES; OBEDIENCE TO SCHOOL GUARD.

(a) Police officers shall direct or regulate traffic in accordance with the provisions of this Traffic Code, provided that, in the event of fire or other emergency or to expedite traffic or safeguard pedestrians, they are authorized to direct traffic as conditions may require notwithstanding the provisions of this Traffic Code. Firemen, when at the scene of a fire, may direct or assist the police in directing traffic thereat or in the immediate vicinity. The direction of traffic may be by word or audible signal, by gesture or visible signal or by any combination thereof. No person shall fail to comply with any lawful order or direction of any police officer or fireman issued pursuant to this section.

(b) No person shall fail to comply with any lawful order or direction of any school crossing guard invested with authority to direct, control or regulate traffic in the vicinity of the school to which such guard may be assigned.

(c) Whoever violates this section is guilty of a minor misdemeanor on a first offense; on a second offense within one year after the first offense, the person is guilty of a misdemeanor of the fourth degree; on each subsequent offense within one year after the first offense, the person is guilty of a misdemeanor of the third degree.

303.03 OFFICER MAY REMOVE IGNITION KEY.

A law enforcement officer may remove the ignition key left in the ignition switch of an unlocked and unattended motor vehicle parked on a street or highway, or any public or private property used by the public for purposes of vehicular travel or parking. The officer removing such key shall place notification upon the vehicle detailing his name and badge number, the place where such key may be reclaimed and the procedure for reclaiming such key. The key shall be returned to the owner of the motor vehicle upon presentation of proof of ownership.
(ORC 4549.05)

- D. The telephone number and the address of the place from which a towed vehicle may be recovered at any time during the day or night;
- E. A statement that the failure to recover a towed vehicle may result in the loss of title to the vehicle as provided in division (B) of Ohio R.C. 4505.101.

In order to comply with the requirements of subsection (a)(1) of this section, the owner of a private property may modify an existing sign by affixing to the existing sign stickers or an addendum in lieu of replacing the sign.

- (2) A towing service ensures that a vehicle towed under this section is taken to a location from which it may be recovered that complies with all of the following:
 - A. It is located within twenty-five linear miles of the location of the private tow-away zone, unless it is not practicable to take the vehicle to a place of storage within twenty-five linear miles.
 - B. It is well-lighted.
 - C. It is on or within a reasonable distance of a regularly scheduled route of one or more modes of public transportation, if any public transportation is available in the municipal corporation or township in which the private tow-away zone is located.
- (b)
 - (1) If a vehicle is parked on private property that is established as a private tow-away zone in accordance with subsection (a) of this section, without the consent of the owner of the private property or in violation of any posted parking condition or regulation, the owner of the private property may cause the removal of the vehicle by a towing service. The towing service shall remove the vehicle in accordance with this section. The vehicle owner and the operator of the vehicle are considered to have consented to the removal and storage of the vehicle, to the payment of the applicable fees established by the Public Service Commission in rules adopted under Ohio R.C. 4921.25, and to the right of a towing service to obtain title to the vehicle if it remains unclaimed as provided in Ohio R.C. 4505.101. The owner or lienholder of a vehicle that has been removed under this section, subject to subsection (c) of this section, may recover the vehicle in accordance with subsection (g) of this section.
 - (2) If a municipal corporation requires tow trucks and tow truck operators to be licensed, no owner of a private property located within the municipal corporation shall cause the removal and storage of any vehicle pursuant to subsection (b) of this section by an unlicensed tow truck or unlicensed tow truck operator.
 - (3) No towing service shall remove a vehicle from a private tow-away zone except pursuant to a written contract for the removal of vehicles entered into with the owner of the private property on which the private tow-away zone is located.

(c) If the owner or operator of a vehicle that is being removed under authority of subsection (b) of this section, arrives after the vehicle has been prepared for removal, but prior to the actual removal from the property, the towing service shall give the vehicle owner or operator oral or written notification at the time of such arrival that the vehicle owner or operator may pay a fee of not more than one-half of the fee for the removal of the vehicle established by the Public Service Commission in rules adopted under Ohio R.C. 4921.25, in order to obtain release of the vehicle. That fee may be paid by use of a major credit card unless the towing service uses a mobile credit card processor and mobile service is not available at the time of the

transaction. Upon payment of that fee, the towing service shall give the vehicle owner or operator a receipt showing both the full amount normally assessed and the actual amount received and shall release the vehicle to the owner or operator. Upon its release the owner or operator immediately shall move the vehicle so that the vehicle is not parked on the private property established as a private tow-away zone without the consent of the owner of the private property or in violation of any posted parking condition or regulation.

- (d) (1) Prior to towing a vehicle under subsection (b) of this section, a towing service shall make all reasonable efforts to take as many photographs as necessary to evidence that the vehicle is clearly parked on private property in violation of a private tow-away zone established under subsection (a) of this section.
The towing service shall record the time and date of the photographs taken under this section. The towing service shall retain the photographs and the record of the time and date, in electronic or printed form, for at least thirty days after the date on which the vehicle is recovered by the owner or lienholder or at least two years after the date on which the vehicle was towed, whichever is earlier.
- (2) A towing service shall deliver a vehicle towed under subsection (b) of this section to the location from which it may be recovered not more than two hours after the time it was removed from the private tow-away zone, unless the towing service is unable to deliver the motor vehicle within two hours due to an uncontrollable force, natural disaster, or other event that is not within the power of the towing service.
- (e) (1) If an owner of a private property that is established as a private tow-away zone in accordance with subsection (a) of this section causes the removal of a vehicle from that property by a towing service under subsection (b) of this section, the towing service, within two hours of removing the vehicle, shall provide notice to the Police Department concerning all of the following:
 - A. The vehicle's license number, make, model and color;
 - B. The location from which the vehicle was removed;
 - C. The date and time the vehicle was removed;
 - D. The telephone number of the person from whom the vehicle may be recovered;
 - E. The address of the place from which the vehicle may be recovered.
- (2) The Chief of Police shall maintain a record of any vehicle removed from private property in the Chief's jurisdiction that is established as a private tow-away zone of which the Chief has received notice under this section. The record shall include all information submitted by the towing service. The Chief shall provide any information in the record that pertains to a particular vehicle to a person who, either in person or pursuant to a telephone call, identifies self as the owner, operator or lienholder of the vehicle, and requests information pertaining to the vehicle.
- (f) (1) When a vehicle is removed from private property in accordance with this section, within three business days of the removal, the towing service or storage facility from which the vehicle may be recovered shall cause a search to be made of either of the following to ascertain the identity of the owner and any lienholder of the vehicle:

- A. The records of the Bureau of Motor Vehicles;
 - B. The records of any vendor or vendors, approved by the Registrar of Motor Vehicles, that are capable of providing real-time access to owner and lienholder information.
 - (2) The towing service or storage facility may search the National Motor Vehicle Title Information System in order to determine the state in which the vehicle is titled. The entity that provides the record of the owner and any lienholder under this division shall ensure that such information is provided in a timely manner.
 - (3) Subject to subsection (f)(6) of this section, the towing service or storage facility shall send notice to the vehicle owner and any known lienholder as follows:
 - A. Within five business days after the applicable entity provides the identity of the owner and any lienholder of the motor vehicle, if the vehicle remains unclaimed, to the owner's and lienholder's last known address by certified or express mail with return receipt requested, by certified mail with electronic tracking, or by a commercial carrier service utilizing any form of delivery requiring a signed receipt.
 - B. If the vehicle remains unclaimed thirty days after the first notice is sent, in the manner required under subsection (f)(3)A. of this section.
 - (4) Sixty days after any notice sent pursuant to subsection (f)(3) of this section is received, as evidenced by a receipt signed by any person, or the towing service or storage facility has been notified that delivery was not possible, the towing service or storage facility, if authorized under Ohio R.C. 4505.101(B), may initiate the process for obtaining a certificate of title to the motor vehicle as provided in that section.
 - (5) A towing service or storage facility that does not receive a signed receipt of notice, or a notification that delivery was not possible, shall not obtain, and shall not attempt to obtain, a certificate of title to the motor vehicle under Ohio R.C. 4505.101(B).
 - (6) With respect to a vehicle concerning which a towing service or storage facility is not eligible to obtain title under Ohio R.C. 4505.101, the towing service or storage facility need only comply with the initial notice required under subsection (f)(3)A. of this section.
- (g) (1) The owner or lienholder of a vehicle that is removed under subsection (b) of this section may reclaim it upon both of the following:
- A. Presentation of proof of ownership, which may be evidenced by a certificate of title to the vehicle, a certificate of registration for the motor vehicle or a lease agreement;
 - B. Payment of the following fees:
 - 1. All applicable fees established by the Public Utilities Commission in rules adopted under Ohio R.C. 4921.25, except that the lienholder of a vehicle may retrieve the vehicle without paying any storage fee for the period of time that the vehicle was in the possession of the towing service or storage facility prior to the date the lienholder received the notice sent under subsection (f)(1)A. of this section;
 - 2. If notice has been sent to the owner and lienholder as described in subsection (f) of this section, a processing fee of twenty-five dollars (\$25.00).

- (2) A towing service or storage facility in possession of a vehicle that is removed under authority of subsection (b) of this section shall show the vehicle owner, operator or lienholder who contests the removal of the vehicle all photographs taken under subsection (d) of this section. Upon request, the towing service or storage facility shall provide a copy of all photographs in the medium in which the photographs are stored, whether paper, electronic, or otherwise.
- (3) When the owner of a vehicle towed under this section retrieves the vehicle, the towing service or storage facility in possession of the vehicle shall give the owner written notice that if the owner disputes that the motor vehicle was lawfully towed, the owner may be able to file a civil action under Ohio R.C. 4513.611.
- (4) Upon presentation of proof of ownership, which may be evidenced by a certificate of title to the vehicle, a certificate of registration for the motor vehicle or a lease agreement, the owner of a vehicle that is removed under authority of subsection (b) of this section may retrieve any personal items from the vehicle without retrieving the vehicle and without paying any fee. The owner of the vehicle shall not retrieve any personal items from a vehicle if it would endanger the safety of the owner, unless the owner agrees to sign a waiver of liability. For purposes of subsection (g)(4) of this section, "personal items" do not include any items that are attached to the vehicle.

(h) No person shall remove, or cause the removal of any vehicle from private property that is established as a private tow-away zone under this section, or store such a vehicle other than in accordance with this section, or otherwise fail to comply with any applicable requirement of this section.

(i) This section does not affect or limit the operation of Ohio R.C. 4513.60 or Ohio R.C. 4513.61 to 4613.65 as they relate to property other than private property that is established as a private tow-away zone under subsection (a) of this section.

(j) Whoever violates subsection (h) of this section is guilty of a minor misdemeanor.

(k) As used in this section, "owner of a private property" or "owner of the private property" includes, with respect to a private property, any of the following:

- (1) Any person who holds title to the property;
- (2) Any person who is a lessee or sublessee with respect to a lease or sublease agreement for the property;
- (3) A person who is authorized to manage the property;
- (4) A duly authorized agent of any person listed in subsections (k)(1) to (3) of this section. (ORC 4513.601)

303.083 IMPOUNDING VEHICLES ON PUBLIC PROPERTY.

(a) The County Sheriff or Chief of Police, within the Sheriff's or Chief's respective territorial jurisdiction, or a state highway patrol trooper, upon notification to the Sheriff or Chief of Police of such action and of the location of the place of storage, may order into storage any motor vehicle, including an abandoned junk motor vehicle as defined in Ohio R.C. 4513.63, that:

- (1) Has come into the possession of the Sheriff, Chief of Police, or state highway patrol trooper as a result of the performance of the Sheriff's, Chief's or trooper's duties; or

- (2) Has been left on a public street or other property open to the public for purposes of vehicular travel, or upon or within the right-of-way of any road or highway, for forty-eight hours or longer without notification to the Sheriff or Chief of Police of the reasons for leaving the motor vehicle in such place. However, when such a motor vehicle constitutes an obstruction to traffic it may be ordered into storage immediately unless either of the following applies:
 - A. The vehicle was involved in an accident and is subject to Ohio R.C. 4513.66, or any substantially equivalent municipal ordinance;
 - B. The vehicle is a commercial motor vehicle. If the vehicle is a commercial motor vehicle, the Sheriff, Chief of Police, or state highway patrol trooper shall allow the owner or operator of the vehicle the opportunity to arrange for the removal of the motor vehicle within a period of time specified by the Sheriff, Chief of Police, or state highway patrol trooper. If the Sheriff, Chief of Police, or state highway patrol trooper determines that the vehicle cannot be removed within the specified period of time, the Sheriff, Chief of Police, or state highway patrol trooper shall order the removal of the vehicle.
- (3) Subject to subsection (c) of this section, the Sheriff or Chief of Police shall designate the place of storage of any motor vehicle so ordered removed.

(b) If the Sheriff, Chief of Police, or a state highway patrol trooper issues an order under subsection (a) of this section and arranges for the removal of a motor vehicle by a towing service, the towing service shall deliver the motor vehicle to the location designated by the Sheriff or Chief of Police not more than two hours after the time it is removed.

- (c)
 - (1) The Sheriff or Chief of Police shall cause a search to be made of the records of an applicable entity listed in Ohio R.C. 4513.601(F)(1) to ascertain the identity of the owner and any lienholder of a motor vehicle ordered into storage by the Sheriff or Chief of Police, or by a state highway patrol trooper within five business days of the removal of the vehicle. Upon obtaining such identity, the Sheriff or Chief of Police shall send or cause to be sent to the owner or lienholder at the owner's or lienholder's last known address by certified or express mail with return receipt requested, by certified mail with electronic tracking, or by a commercial carrier service utilizing any form of delivery requiring a signed receipt. The notice shall inform the owner or lienholder that the motor vehicle will be declared a nuisance and disposed of if not claimed within ten days of the date of the sending of the notice.
 - (2)
 - A. The owner or lienholder of the motor vehicle may reclaim the motor vehicle upon payment of any expenses or charges incurred in its removal and storage, and presentation of proof of ownership, which may be evidenced by a certificate of title or memorandum certificate of title to the motor vehicle, a certificate of registration for the motor vehicle, or a lease agreement. Upon presentation of proof of ownership evidenced as provided above, the owner of the motor vehicle also may retrieve any personal items from the vehicle without retrieving the vehicle and without paying any fee. However, a towing service or storage facility may charge an after-hours retrieval

fee established by the Public Utilities Commission in rules adopted under Ohio R.C. 4921.25 if the owner retrieves the personal items after hours, unless the towing service or storage facility fails to provide the notice required under Ohio R.C. 4513.69(B)(3), if applicable. However, the owner shall not do either of the following:

1. Retrieve any personal item that has been determined by the Sheriff, Chief of Police, or a state highway patrol trooper, as applicable, to be necessary to a criminal investigation;
2. Retrieve any personal item from a vehicle if it would endanger the safety of the owner, unless the owner agrees to sign a waiver of liability.

B. For purposes of subsection (c)(2) of this section, "personal items" do not include any items that are attached to the vehicle.

- (3) If the owner or lienholder of the motor vehicle reclaims it after a search of the applicable records has been conducted and after notice has been sent to the owner or lienholder as described in this section, and the search was conducted by the place of storage, and the notice was sent to the motor vehicle owner by the place of storage, the owner or lienholder shall pay to the place of storage a processing fee of twenty-five dollars (\$25.00), in addition to any expenses or charges incurred in the removal and storage of the vehicle.

(d) If the owner or lienholder makes no claim to the motor vehicle within ten days of the date of sending the notice, and if the vehicle is to be disposed of at a public auction as provided in Ohio R.C. 4513.62 or any substantially equivalent municipal ordinance, the Sheriff or Chief of Police, without charge to any party, shall file with the Clerk of Courts of the county in which the place of storage is located an affidavit showing compliance with the requirements of this section. Upon presentation of the affidavit, the Clerk, without charge, shall issue a salvage certificate of title, free and clear of all liens and encumbrances, to the Sheriff or Chief of Police. If the vehicle is to be disposed of to a motor vehicle salvage dealer or other facility as provided in Ohio R.C. 4513.62 or any substantially equivalent municipal ordinance, the Sheriff or Chief of Police shall execute in triplicate an affidavit, as prescribed by the Registrar of Motor Vehicles, describing the motor vehicle and the manner in which it was disposed of, and that all requirements of this section have been complied with. The Sheriff or Chief of Police shall retain the original of the affidavit for the Sheriff's or Chief's records, and shall furnish two copies to the motor vehicle salvage dealer or other facility. Upon presentation of a copy of the affidavit by the motor vehicle salvage dealer, the Clerk of Courts, within thirty days of the presentation, shall issue a salvage certificate of title, free and clear of all liens and encumbrances.

(e) Whenever a motor vehicle salvage dealer or other facility receives an affidavit for the disposal of a motor vehicle as provided in this section, the dealer or facility shall not be required to obtain an Ohio certificate of title to the motor vehicle in the dealer's or facility's own name if the vehicle is dismantled or destroyed and both copies of the affidavit are delivered to the Clerk of Courts.

(f) No towing service or storage facility shall fail to comply with this section.
(ORC 4513.61)

303.09 LEAVING JUNK AND OTHER VEHICLES ON PRIVATE OR PUBLIC PROPERTY WITHOUT PERMISSION OR NOTIFICATION.

(a) No person shall willfully leave any vehicle or an "abandoned junk motor vehicle" as defined in Ohio R.C. 4513.63 on private property for more than seventy-two consecutive hours without the permission of the person having the right to the possession of the property or on a public street or other property open to the public for purposes of vehicular travel or parking, or upon or within the right of way of any road or highway, for forty-eight consecutive hours or longer, without notification to the Police Chief of the reasons for leaving the vehicle in such place.

For purposes of this section, the fact that a vehicle has been so left without permission or notification is prima-facie evidence of abandonment. Nothing contained in this section shall invalidate the provisions of other ordinances regulating or prohibiting the abandonment of motor vehicles on streets, highways, public property or private property within the Municipality.

(b) Whoever violates this section is guilty of a minor misdemeanor and shall also be assessed any costs incurred by the Municipality in disposing of an abandoned junk motor vehicle that is the basis of the violation, less any money accruing to the Municipality from this disposal of the vehicle. (ORC 4513.64)

303.10 LEAVING JUNK VEHICLES ON PRIVATE PROPERTY WITH PERMISSION OF OWNER.

For the purposes of this section, "junk motor vehicle" means any motor vehicle meeting the requirements of Ohio R.C. 4513.63(B) to (D) that is left uncovered in the open on private property for more than seventy-two hours with the permission of the person having the right to the possession of the property, except if the person is operating a junk yard or scrap metal processing facility licensed under authority of Ohio R.C. 4737.05 to 4737.12; or regulated under authority of the Municipality; or if the property on which the motor vehicle is left is not subject to licensure or regulation by any governmental authority, unless the person having the right to the possession of the property can establish that the motor vehicle is part of a bona fide commercial operation.

Persons may store or keep by unrestricted method any collector's vehicle as defined in Ohio R.C. 4501.01(F) on private property with the permission of the person having the right to the possession of the property; except that such person having such permission shall conceal, by means of buildings, fences, vegetation, terrain or other suitable obstruction, any unlicensed collector's vehicle stored in the open.

The Mayor, the Chief of Police or the Municipal Zoning Authority, may send notice by certified mail with return receipt requested, to the person having the right to the possession of the property on which a junk motor vehicle is left, that within ten days of receipt of the notice, the junk motor vehicle either shall be covered by being housed in a garage or other suitable structure or shall be removed from the property.

No person shall willfully leave a junk motor vehicle uncovered in the open for more than ten days after receipt of a notice as provided in this section. The fact that a junk motor vehicle is so left is prima-facie evidence of willful failure to comply with the notice. Each subsequent period of thirty days that a junk motor vehicle continues to be so left constitutes a separate offense. (Ord. 12-83. Passed 8-8-83.)

303.11 PROVIDING FALSE INFORMATION TO POLICE OFFICER.

(a) No person shall knowingly present, display or orally communicate a false name, social security number or date of birth to a law enforcement officer who is in the process of issuing to the person a traffic ticket or complaint.

(b) Whoever violates this section is guilty of a misdemeanor of the first degree. (ORC 4513.361)

303.99 GENERAL TRAFFIC CODE PENALTIES.

303.991 COMMITTING AN OFFENSE WHILE DISTRACTED PENALTY.

(a) As used in this section and each section of the Traffic Code where specified, all of the following apply:

- (1) "Distracted" means doing either of the following while operating a vehicle:
 - A. Using a handheld electronic wireless communications device, as defined in Ohio R.C. 4511.204 except when utilizing any of the following:
 1. The device's speakerphone function;
 2. A wireless technology standard for exchanging data over short distances;
 3. A "voice-operated or hands-free" device that allows the person to use the electronic wireless communications device without the use of either hand except to activate, deactivate, or initiate a feature or function;
 4. Any device that is physically or electronically integrated into the motor vehicle.
 - B. Engaging in any activity that is not necessary to the operation of a vehicle and impairs, or reasonably would be expected to impair, the ability of the operator to drive the vehicle safely.
- (2) "Distracted" does not include operating a motor vehicle while wearing an earphone or earplug over or in both ears at the same time. A person who so wears earphones or earplugs may be charged with a violation of Section 331.43.
- (3) "Distracted" does not include conducting any activity while operating a utility service vehicle or a vehicle for or on behalf of a utility, provided that the driver of the vehicle is acting in response to an emergency, power outage or a circumstance affecting the health or safety of individuals.
As used in subsection (a)(3) of this section:
 - A. "Utility" means an entity specified in division (A), (C), (D), (E) or (G) of Ohio R.C. 4905.03.
 - B. "Utility service vehicle" means a vehicle owned or operated by a utility.

(b) If an offender violates any section of this Traffic Code which provides for an enhanced penalty for an offense committed while distracted and the distracting activity is a contributing factor to the commission of the violation, the offender is subject to the applicable penalty for the violation and, notwithstanding Ohio R.C. 2929.28, is subject to an additional fine of not more than one hundred dollars (\$100.00) as follows:

- (1) Subject to Traffic Rule 13, if a law enforcement officer issues an offender a ticket, citation or summons for a violation of any section of the Traffic Code that indicates that the offender was distracted while committing the violation and that the distracting activity was a contributing factor to the commission of the violation, the offender may enter a written plea of guilty and waive the offender's right to contest the ticket, citation or summons in a trial provided that the offender pays the total amount of the fine established for the violation and pays the additional fine of one hundred dollars (\$100.00).

In lieu of payment of the additional fine of one hundred dollars (\$100.00), the offender instead may elect to attend a distracted driving safety course, the duration and contents of which shall be established by the Ohio Director of Public Safety. If the offender attends and successfully completes the course, the offender shall be issued written evidence that the offender successfully completed the course. The offender shall be required to pay the total amount of the fine established for the violation, but shall not be required to pay the additional fine of one hundred dollars (\$100.00), so long as the offender submits to the court both the offender's payment in full and such written evidence.

- (2) If the offender appears in person to contest the ticket, citation or summons in a trial and the offender pleads guilty to or is convicted of the violation, the court, in addition to all other penalties provided by law, may impose the applicable penalty for the violation and may impose the additional fine of not more than one hundred dollars (\$100.00).

If the court imposes upon the offender the applicable penalty for the violation and an additional fine of not more than one hundred dollars (\$100.00), the court shall inform the offender that, in lieu of payment of the additional fine of not more than one hundred dollars (\$100.00), the offender instead may elect to attend the distracted driving safety course described in subsection (b)(1) of this section. If the offender elects the course option and attends and successfully completes the course, the offender shall be issued written evidence that the offender successfully completed the course. The offender shall be required to pay the total amount of the fine established for the violation, but shall not be required to pay the additional fine of not more than one hundred dollars (\$100.00), so long as the offender submits to the court the offender's payment and such written evidence.

(b) Any such combined billing not paid by the 15th day of the month in which the billing is received shall bear a one-time late charge in the amount of ten percent (10%) of the billing for that month's services.

(c) The Village Administrator shall issue a shutoff notice and may discontinue water service and solid waste collection service without further notice for nonpayment of the combined billing amount, where such combined billing amount is not paid by the 26th day of the month following that month in which the billing is received. The Village reserves the right to enter the premises, remove the meter, and take necessary measures to prevent unlawful use of water, in the event an outside shutoff is not easily accessible. A charge of twenty-five dollars (\$25.00) will be assessed to reconnect the water.

(d) In the event that the combined billing amount is not paid in full, a lien will be filed with the County Auditor and the water and solid waste collection service will not be resumed until the balance is collected. (Ord. 20-98. Passed 11-9-98.)

933.04 WATER TAPPING CHARGES.

The water tapping charges to be imposed for access into the Village water line system shall be as follows:

- (a) Single Family Residential. Except as hereinafter provided, all single family residential water customers who connect to or tap on to the water system of the Village, for the purpose of receiving water service shall pay a tapping charge. The single family residential water tapping charge shall be the sum of the cost of the water parts, inspection, labor, equipment and street repair provided by the Village. The single family residential water tapping charge shall be calculated by the Village Administrator in accordance with the following formula:

$$TC = WP + I + L + E + SR$$

TC	=	Tapping Charge
WP	=	Water Parts (a)
I	=	Inspection (b)
L	=	Labor (c)
E	=	Equipment (d)
SR	=	Street Repair (e)

- (1) Water parts. The water parts portion of the single family residential water tapping charge shall consist of the cost of the following parts, when provided by the Village:

- A. Meter (inside);
- B. Meter (outside);
- C. Setter;
- D. Meter pit;

- (d) Other Than Single Family Water Tapping Charge or Replacement. The water tapping charges to be imposed for a water tap or for replacement of a tap, or a meter or any other water part to property other than "single family residential" shall be determined by Council.
- (e) Waiver. In those areas where no water service taps have been previously installed, the foregoing fees may be waived by the Village Administrator, and the property owner allowed to install the water service tap and line at said customer's own expense. In such cases, the customer shall pay an inspection fee determined by the Village Administrator in the manner set forth in subsection (a)(2) hereof.
- (f) Payment. The water tapping charge and/or inspection fee are payable at the time service is provided.
- (g) Meters; Ownership. Each water meter shall remain the property of the property owner, subject to the right of the Village to inspect and/or calibrate the same. Such meter shall be subject to access by the Village during all regular business hours and shall not be unreasonably obstructed from inspection by the Village. All meters shall be of a type approved by the Village Administrator and obtained through the Village. (Ord. 20-98. Passed 11-9-98.)

933.05 DEFINITIONS.

The terms "unit" or "unit user" as used in this chapter shall be defined to mean each individual trailer or lot within a mobile home trailer park, or each individual unit or area of a building, land, structure or use which is separately owned, occupied or rented and to which water is furnished by the Village. (Ord. 20-08. Passed 11-9-98.)

933.06 SERVICE AREA.

Excepting those properties located outside of the Village Limits which are currently receiving water service, no water service shall be extended to properties located outside of the Village of Plain City. However, Village Council may grant special permission for water service extension outside of Village limits via legislative approval of the majority of Council and subject to agreements for the provision of such service extension that may be required. Properties receiving special permission for connection to Village water service outside of Village limits shall be charged ten percent (10%) greater than those rates established for properties within Village limits. (Ord. 09-2022. Passed 5-23-22.)

933.07 AUTHORITY OF THE VILLAGE ADMINISTRATOR.

The Village Administrator may adjust billings arising from leakage.
(Ord. 20-98. Passed 11-9-98.)

933.08 CAPACITY CHARGE FEE.

(a) A Water Capacity Charge Fee, being a tap-in or connection fee representing a reasonable relationship to the entire cost of having provided and created an adequate water system, including water treatment plant and wells, shall be imposed upon all future users of the currently unused service capacity of the Village Water System.

(b) Such Water Capacity Charge Fee shall be imposed upon the basis of the size of the water tap servicing the property. Such fee shall be collected, and water capacity reserved for the user, in the following manner:

- (1) In the case of a future user connecting to the water system for the first time, the Water Capacity Charge Fee shall be paid and water capacity reserved for the user, as follows:

- A. As regards development which has completed the final plat procedure of the Subdivision Regulations, water capacity shall be reserved for its use at the time this water capacity charge fee and the sanitary sewer capacity charge fee imposed by Section 929.06 are paid, together with the RPM capacity charge fee imposed by Ordinance 6-98, if applicable.

If not paid sooner, this Water Capacity Charge Fee shall be paid no later than the time the tap request for individual water service to a lot is made. No reservation of capacity shall occur at such time unless the sanitary sewer capacity charge fee imposed by Section 929.06 is also paid, together with the RPM capacity charge fee imposed by Ordinance 6-98, if applicable.

Once reserved, the water capacity shall be allocated to the development for which the fees were paid, and shall not be transferable to another development.

Development which is required to undergo the final plat procedure of the Subdivision Regulations, but which has not completed that procedure, shall not be eligible to reserve water capacity or to pay the necessary capacity charge fees.

If the water tap connections are not made within three years of the payment of the fees, water capacity may, at the option of the Village, no longer be reserved and may be made available for use by others. In such event, and at the option of the payor, a refund of the capacity charge fees may be made, provided, however, that in the refund no interest shall be paid upon the amount of the fees paid. No other refund of Water Capacity Charge Fees shall be made once such fees are paid.

- B. As regards development which is not required to undergo the final plat procedure of the Subdivision Regulations, this Water Capacity Charge Fee shall be paid prior to final approval of its construction plans. Water capacity shall be reserved for its use upon such payment of this Water Capacity Charge Fee and the sanitary sewer capacity charge fee imposed by Section 929.06, together with the RPM capacity charge fee imposed by Ordinance 6-98, if applicable.

Once reserved, the water capacity shall be allocated to the development for which the fees were paid, and shall not be transferable to another development.

If the water tap connections are not made within three years of the payment of the fees, water capacity may, at the option of the Village, no longer be reserved and may be made available for use by others. In such event, and at the option of the payor, a refund of the capacity charge fees may be made, provided, however, that in the refund no interest shall be paid upon the amount of the fees paid. No other refund of capacity charge fees shall be made once such fees are paid.

- C. That, in the event that the additional meter is or becomes nonfunctional, the Village will base water and sewer usage solely upon the main water meter originally installed upon the premises.

(d) Any person violating the prohibition of this section against the introduction of water passing through an additional meter into the Village sanitary sewer system, and any person tampering in any way with the additional water meter, or attempting to bypass the main meter, and any person installing an additional water meter without complying with the requirements of this section shall be subject to the following penalties:

- (1) A fine in an amount not to exceed one hundred dollars (\$100.00) for each violation of this section, with each day during which a violation continues constituting a separate offense; and/or
 - (2) The termination of water service to the property involved; and/or
 - (3) Payment to the Village of restitution for the amount by which such action has denied revenue to the Village sanitary sewer system.
- (Ord. 35-91. Passed 9-23-91.)

933.11 BACKFLOW PREVENTION PROGRAM.

(a) If, in the judgment of the Administrator, an approved backflow prevention device is necessary for the safety of the public water system; the Administrator will give notice to the water consumer to install such an approved device. The water consumer shall, at his own expense, install such an approved device at a location and in a manner approved by the Administrator and shall have inspections and tests of such approved devices as required by the Administrator.

(b) No person, firm or corporation shall establish or permit to be established or maintain or permit to be maintained any connection whereby a private, auxiliary or emergency water supply other than the regular public water supply of the City may enter the supply or distributing system of said municipality, unless such private, auxiliary or emergency water supply and the method of connection have been approved by the Administrator and by the Ohio Environmental Protection Agency.

(c) It shall be the duty of the Administrator to cause surveys and investigations to be made at the properties served by the public water supply where actual or potential hazards to the public water supply may exist. Such surveys and investigations shall be made a matter of public record and shall be repeated as often as the Administrator shall deem necessary.

(d) The Administrator or his or her duly authorized representative shall have the right to enter, at any reasonable time, any property served by a connection to the public water supply or distribution system of the City for the purpose of inspecting the piping system or systems thereof. On demand the owner, lessees or occupants of any property so served shall furnish to the Administrator any information which he may request regarding the piping system or systems or water use on such property. The refusal of such information, when demanded, shall, within the discretion of the Administrator, be deemed evidence of the presence of improper connections as provided in this section.

(e) The Administrator is hereby authorized and directed to discontinue, after reasonable notice to the occupant thereof, the water service to any property wherein any connection in violation of this section is known to exist, and to take such other precautionary measures as he may deem necessary to eliminate any danger of contamination of the public water supply distribution mains. Water service to such property shall not be restored until such conditions shall have been eliminated or corrected in compliance with the provisions of this section.

(f) The Administrator shall establish Rules and Regulations to govern the application and oversight of the backflow prevention program.
