A Proud Heritage, A Promising Future

MAYOR'S ADDRESS

**Mayor Jody
Carney**

Greetings, Plain City!

Every season I look forward to summer in our town. From the opening of the pool, music in the park, Farmers Market uptown, to 4th of July and Steam Threshers week are traditions that make Plain City the best town around. Enjoy time with your families as we celebrate our heritage, and make sure to attend our summer of events!

Our council and committee meetings are posted on the [village calendar](#) and council meetings are livestreamed on our village [YouTube](#) channel. We meet every 2nd and 4th Monday of the month and welcome in person attendance! If you have any questions, please feel free to e-mail council members at council@plain-city.com.

The Village of Plain City would like to congratulate Haley Lupton on her appointment as Village Administrator. Ms. Lupton was selected after a nationwide recruitment and selection process involving community members, Village staff and Village Council. Serving as Interim Administrator since October 2021, the appointment of Ms. Lupton will allow the Village to undergo a smooth transition and provide continuity of government for residents.

ADMINISTRATOR & POLICE

Plain City Police Department

As summer approaches, the Police Department wants to remind everyone if you are going out of town, you can sign up for a house watch. All you have to do is complete the [Residence Check Form](#) or contact our office **614-873-2921** and we will get you added to our list. Our officers check on all houses that are on our list throughout the day and overnight hours.

Administrator

The Village of Plain City is thrilled to share details of upcoming events. Upload our Plain City App, or visit our [website](#), [Facebook](#), [Police Facebook](#), and [Parks Facebook](#) pages to stay informed.

It's finally Summer and Plain City Parks and Recreation is ready with great events for your family! The season kicks off with a busy Memorial Day Weekend: The Plain City Aquatic Center will open Saturday, May 28 from 11am-7pm. Sunday May 29th brings the Bluegrass & BBQ event from 12noon - 9p! Great BBQ, a Bounce House and 5 bands round out this FREE event at Pastime Park! And please honor those who have served our country by attending the VFW/VFW Auxiliary Memorial Day ceremony, starting at 9am at the old PC Elementary. The ceremony finishes at the Darby Township Cemetery, with a special F-16 Flyover by the 180th Fighter Wing at 10:30am. For information on other Plain City events including f July 4th, Raptor Rapture, Camp Laff-A-Lot, Music in the Park and much more, see the [Village website](#) and our updated [2022 Plain City Calendar of Events](#).

PLANNING & ZONING

A well maintained **property** meets the following standards:

1. Grass and other undesirable vegetation is cut below 8 inches.

2. Trees and shrubbery are alive and properly trimmed to not cause blighting influence or obstruct the public right-of-way.

3. Building and other structures must be in good repair. Loose or missing shingles/siding, crumbling masonry, peeling paint and other conditions reflective of deterioration is not permissible.

4. Outdoor Storage items must be stored in a neat and orderly fashion. Indoor furniture, appliances, and trash may not be stored outside.

5. Exterior doors/windows must be weather-proofed and properly sealed.

6. Trash Bins may not be set out by the curb before 6pm, the day prior to collection, and must be returned to storage 24 hours after collection.

7. Motor vehicles must be in operable condition and parked on an improved surface or in an enclosed building.

8. Fences, retaining walls and other similar structures must be firmly anchored to the ground and in good repair, free from broken/missing boards and peeling paint.

9. Property/yard is free from miscellaneous debris and litter.

As the weather warms, the Planning and Zoning Department wants to remind property owners to make sure properties are well maintained. Please remember to keep grass, trees, and shrubbery trimmed. All buildings and structures must be in good repair and free of peeling paint, missing sidings/shingles, crumbling masonry, etc. Properties should be free of litter and miscellaneous debris. The Village appreciates your cooperation in advance.

The Village's Zoning Inspector works with residents, businesses, and contractors to ensure Plain City properties are well-maintained, to preserve the community's outstanding physical assets. Property maintenance violations are primarily complaint-driven by neighbors; however, the inspector will typically observe additional

violations during neighborhood patrols. If you would like to report property maintenance or zoning complaints, please do so on our [portal](#)

PUBLIC WORKS

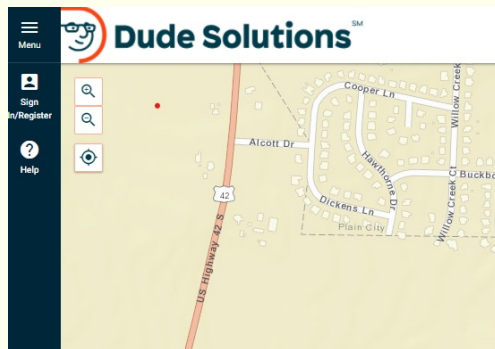

BRUSH PICKUP & MOSQUITO FOGGING CONTINUE THROUGHOUT THE SUMMER

Brush Pickup Guidelines:

- Leave brush in front of home on tree lawn (small grassy area in between road and sidewalk)
- Brush does NOT need to be bundled
- Individual limbs no larger than 6 inches in diameter
- Submit requests on the [Citizens Request Portal](#)

Mosquito Fogging:

- A single water-filled bucket can produce hundreds of biting mosquitoes.
- Most disease-causing mosquitoes spend their entire lives near their container-breeding site.
- While the adult mosquito's life expectancy is not usually more than a few weeks, the female may lay several batches of eggs each containing several hundred eggs during its life.
- As for timing, spraying usually starts around sunset, after bees, butterflies and other insects are no longer active.
- Click [here](#) for fogging schedule (weather dependent)

[CITIZEN REQUEST PORTAL](#)

UTILITIES

Many things increase your water bill, like extra household guests, watering your garden, lawn, and new trees. Not much will increase it more than a leaky faucet or outdoor hose left running. A dripping faucet can increase your bill by over 10% monthly. You are responsible for the increased utility bill whether

it's an accident or not, so if you have a leaky faucet that you can't fix, call your plumber and get it resolved.

Electronic Utility E-Bill and Electronic Payment Portal
Go paperless with us! Instead of receiving a postcard, the Village will E-mail your utility bill to you! [E-mail](#) the completed [E-Bill application](#). We will send an e-mail confirmation as well as your [Electronic Account Portal](#) log-in information to let you know that you are registered for this service. Call 614-873-3527 x 100 with questions.
